## **Russian Eurasianism An Ideology Of Empire:**

Russian Eurasianism Marlène Laruelle, 2008-10 Since the dissolution of the Soviet Union Russia has been marginalized at the edge of a Western dominated political and economic system In recent years however leading Russian figures including former president Vladimir Putin have begun to stress a geopolitics that puts Russia at the center of a number of axes European Asian Christian Muslim Buddhist Mediterranean Indian Slavic Turkic and so on This volume examines the political presuppositions and expanding intellectual impact of Eurasianism a movement promoting an ideology of Russian Asian greatness which has begun to take hold throughout Russia Kazakhstan and Turkey Eurasianism purports to tell Russians what is unalterably important about them and why it can only be expressed in an empire Using a wide range of sources Marlène Laruelle discusses the impact of the ideology of Eurasianism on geopolitics interior policy foreign policy and culturalist philosophy

*The Politics of Eurasianism* Mark Bassin, Gonzalo Pozo, 2017-01-12 In the course of Vladimir Putin's third presidential term many of the doctrines and ideas associated with Eurasianism have moved to the center of public political discourses in Russia Eurasianism both Russian and non Russian is politically active influential and contested in debates about identity popular culture or foreign policy narratives Deploying a variety of theoretical frameworks and perspectives the essays in this volume work together to shed light on both Eurasianism's plasticity and contemporary weight and examine how its tropes and discourses are appropriated interpreted modulated and deployed politically by national groups oppositional forces left or right prominent intellectuals artists and last but not least government elites In doing so this collection addresses essential themes and questions currently shaping the Post Soviet world and beyond

Russland und/als Eurasien: Kulturelle Konfigurationen Christine Engel, Birgit Menzel, 2018-02-28 Die politische Aneignung des eurasischen Raumes ist von intensiven ideologischen und mythischen Aufladungen begleitet Dies betrifft nicht nur geopolitische Konzeptualisierungen sondern auch religiös spirituelle und ästhetische Konzepte In den einschlägigen Diskursen werden kollektive und sprachliche Identitäten verhandelt bzw in gewisse Bahnen gelenkt Zudem steht die Ambiguität zwischen nationalem und imperialem Identitätsanspruch im Raum wobei auch Historisches instrumentalisiert wird Ein interdisziplinär und international zusammengesetztes Team von Historiker\*innen Soziolog\*innen Anthropolog\*innen Literatur Kultur und Translationswissenschaftler\*innen gibt mit fokussierten Themen einen Einblick in diese wirkungsvollen kulturelle Gemengelage

**State Ideology, Science, and Pseudoscience in Russia** Baasanjav Terbish, 2022-02-25 This book recounts the entangled stories of three distinctly Russian movements state ideology Russian cosmism and Eurasianism from their inception at the end of the nineteenth century and beginning of the twentieth century until now Despite harboring pseudoscientific and mystical ideas specific to Russia all three movements were propagated by their followers as universal sciences and all three vied for scientific supremacy and universal acceptance Suppressed by the Bolsheviks and their state ideology as unscientific in the 1920s Russian cosmism and Eurasianism led an esoteric underground existence during the

Soviet period and re emerged in the dying years of the Soviet Union seeking not only to reclaim their scientific status but also to potentially fill the perplexing vacuum left by the ensuing demise of Soviet state ideology This study relates the post Soviet search for a new state ideology or new National Idea at the federal and regional levels based on the Kremlin s projects and the case of the ethnic Republic of Kalmykia in south west Russia *Russia's National Security in Aleksandr Dugin's Neo-Eurasianism* Marcin Skladanowski,2023-09-05 Aleksandr Dugin is an extremely radical thinker Nevertheless it is worth dealing with his thought because it shows in an exaggerated form how the evolution of social and political ideas took place in the history of Russia which led to Putin s contemporary neo imperialism This book presents the Russian discourse on national security against a broader background of global academic reflection takes a closer look at the sources and ideological basis of the concept of Russia s security developed by Dugin discusses the subject and main dimensions of Russia s national security in Dugin s works and shows the importance of Russia s foreign policy for the creation of its national security

*Putinismus* Walter Laqueur,2015-04-08 Walter Laqueur z hlt zu den fruchtbarsten und einflussreichsten Zeitgeschichtlern der westlichen Welt Die Zeit WORUM GEHT ES Der Russland Experte Walter Laqueur beleuchtet Putins neue Gro machtpolitik Er zeigt wie sich nach dem Ende der Sowjetunion ein neuer gesellschaftlicher Konsens gebildet hat antiwestlich antiliberal und staatsrig der an tief verwurzelte Traditionen Russlands ankn pft Putin Vorreiter dieser fatalen Entwicklung findet breite Zustimmung im Lande Sein Kurs durch die Destabilisierung Osteuropas verlorenen Einfluss zur ckzugewinnen f hrt unweigerlich in eine gef hrliche Konfrontation mit dem Westen WAS IST BESONDERS Jenseits journalistischer Schnellsch sse ein historisch fundiertes ber den Tag hinaus g ltiges Portr t des heutigen Russlands und der gef hrlichen Politik Putins WER LIEST Alle denen der neue Kalte Krieg in Europa Sorgen bereitet Wer sich f r die Hintergr nde der aktuellen Konflikte in Osteuropa interessiert Wer wissen will wohin sich Russland unter Putin bewegt Kirgistan und die sowjetische Moderne Moritz Florin,2014-12-10 The Soviet state promised its citizens liberation from the shackles of an outmoded past Soviet modernism after 1945 even found enthusiastic followers on the Central Asian periphery But from the 1960s at the latest public criticism grew loud A small group of intellectuals around Chinghiz Aitmatov criticized the decay of traditions the repression of Islam and the increasing environmental destruction This triggered a gradual process of delegitimation of Soviet rule The volume analyses this process using the example of the Soviet Republic of Kyrgyzstan ranking it alongside global historical contexts of decolonisation Cold War and a growing criticism of modernism Russia as Civilization Kåre Johan Mjør,Sanna Turoma,2020-05-18 Analyzing the use of civilization in Russian language political and media discourses intellectual and academic production and artistic practices this book discusses the rise of civilizational rhetoric in Russia and global politics Why does the concept of civilization play such a prevalent role in current Russian geopolitical and creative imaginations The contributors answer this question by exploring the extent to which discourse on civilization penetrates Russian identity formations in imperial and national configurations and at state and civil levels of

society Although the chapters offer different interpretations and approaches the book shows that Russian civilizationism is a form of ideological production responding to the challenges of globalization The concept of civilization while increasingly popular as a conceptual tool in identity formation is also widely contested in Russia today This examination of contemporary Russian identities and self understanding will be of particular interest to students and scholars of Russian area studies and Slavic studies intellectual and cultural history nationalism and imperial histories international relations discourse analysis cultural studies media studies religion studies and gender studies

**History as Therapy: Alternative History and Nationalist Imaginings in Russia** Konstantin Sheiko, Stephen Brown, 2014-05-01 This astonishing book explores the delusional imaginings of Russia's past by the pseudo scientific Alternative History movement Despite the chaotic collapse of two empires in the last century Russia's glorious imperial past continues to inspire millions The lively movement of Alternative History diligently re writing Russia's past and rediscovering its hidden greatness has been growing dramatically since the collapse of Communism in 1991 Virtually unknown in the West these pseudo historians have published best selling books attracted widespread media attention and are a prominent voice in Internet discussions about Russian and world history Alternative History claims that Russia is much older than Ancient Egypt Greece and Rome that the medieval Mongol Empire was in fact a Slav Turk world empire and that in the twentieth century duplicitous foreign powers stabbed Russia in the back and stole its empire For its followers the key to Russia's greatness in the future lies in ensuring that Russians understand the true wealth of their past Alternative history has become a popular therapy for Russians still coming to terms with the reality of Post Soviet life It is one of the forces shaping a new Russian nationalism and an important factor in the geopolitics of the twenty first century

**Nation, Ethnicity and Race on Russian Television** Stephen Hutchings, Vera Tolz, 2015-03-05 Russia one of the most ethno culturally diverse countries in the world provides a rich case study on how globalisation and associated international trends are disrupting and causing the radical rethinking of approaches to inter ethnic cohesion The book highlights the importance of television broadcasting in shaping national discourse and the place of ethno cultural diversity within it It argues that television's role here has been reinforced rather than diminished by the rise of new media technologies Through an analysis of a wide range of news and other television programmes the book shows how the covert meanings of discourse on a particular issue can diverge from the overt significance attributed to it just as the impact of that discourse may not conform with the original aims of the broadcasters The book discusses the tension between the imperative to maintain security through centralised government and overall national cohesion that Russia shares with other European states and the need to remain sensitive to and to accommodate the needs and perspectives of ethnic minorities and labour migrants It compares the increasingly isolationist popular ethnonationalism in Russia which harks back to old fashioned values with the similar rise of the Tea Party in the United States and the UK Independence Party in Britain Throughout this extremely rich well argued book complicates and challenges received wisdom on Russia's recent descent

into authoritarianism It points to a regime struggling to negotiate the dilemmas it faces given its Soviet legacy of ethnic particularism weak civil society large native Muslim population and overbearing yet far from entirely effective state control of the media     **Russian Elite Image of Iran** Dmitry Shlapentokh,2009     *Russian Nationalism* Marlene

Laruelle,2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia s distinctive national character based on the country s geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia s ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin s political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond     Civilization

Giovanni Borgognone,Patricia Chiantera-Stutte,2022-09-29 Civilizations or rather narratives about civilizations matter not only as research subjects in textbooks literary and scientific essays but also in politics This seems to be the case in civilizational states such as China Russia Turkey and Syria Also in Western countries in recent decades the notion of civilization has often been used in public discourse political parties and leaders have referred in particular to the need to protect Western civilization calling in this regard for policies to restrict immigration from Muslim countries In 2022 the narrative on civilization was used to legitimize the Russian invasion of Ukraine The studies in this collected volume reconstruct how civilizational paradigms and narratives have been used to explain political relations to define the global order to justify attempts to gain hegemony over particular geopolitical areas and to make predictions on global developments in specific times of crisis In particular this book analyzes the concepts of civilization as they have been used in the intellectual and political discourse in periods particularly critical for global relations and for the consolidation or contestation of the West s dominant role in international national politics and academic discourse     Intermarium Marek Jan

Chodakiewicz,2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing

the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture     New Russian Nationalism Pal Kolsto,2016-03-24 Traces Russia s transforming nationalism from imperialism through ethnocentrism and migration phobia to territorial expansion This title was made Open Access by libraries from around the world through Knowledge Unlatched     **Contemporary Issues in International Relations** Mehmet Emin Erendor,Mehmet Fatih Öztarsu,2020-03-04 Recent regional and global crises have changed the structure of international relations and cause countries to be inconsistent in their policies Examples of these include the protest demonstrations and political crises which started in the Middle East and African countries in 2010 known as the Arab Spring which had a major effect on Syria and the movement towards Brexit These emerging regional and global crises have highlighted the shortcomings of the discipline of international relations and the need for a new detailed study to be conducted The topics in this book have been carefully selected in order to provide a more objective assessment of the recent and ongoing problems of the international community This volume will be a valuable resource for graduate undergraduate and post graduate students academics and researchers in the areas of cyber security international law international organizations and international relations     *Philosophical and Cultural Interpretations of Russian Modernisation* Katja Lehtisaari,Arto Mustajoki,2016-09-13 In this book the expert international contributors attempt to answer questions such as How far is it possible to attribute change in contemporary Russia as due to cultural factors How does the process of change in cultural institutions reflect the general development of Russia Are there certain philosophical ideas that explain the Russian interpretation of a modern state This edited volume elaborates on processes of Russian modernisation regarding a wide range of factors including the use of modern technology elements of civil society a reliable legal system high levels of education equality among citizens freedom of speech religion and trade The main focus is on the Putin era but historical backgrounds are also discussed adding context The chapters cover a wide spectrum of research fields from philosophy and political ideas to gender issues language the education system and the position of music as a constituent of modern identity Throughout the book the chapters are written so as to introduce experts from other fields to new perspectives on Russian modernisation and de modernisation processes It will be of great interest to postgraduates and scholars in Philosophy Politics IR Music and Cultural Studies and of course Russian studies     We God's People Jocelyne Cesari,2021-12-16 Cesari argues that both religious and national communities are defined by the three Bs belief behaviour and belonging By focusing on the ways in which these three Bs intersect overlap or clash she identifies the patterns of the politicization of religion and vice versa in any given context Her approach has four advantages firstly it combines an exploration of institutional and ideational changes across time which are usually separated

by disciplinary boundaries Secondly it illustrates the heuristic value of combining qualitative and quantitative methods by statistically testing the validity of the patterns identified in the qualitative historical phase of the research Thirdly it avoids reducing religion to beliefs by investigating the significance of the institution ideas connections and fourthly it broadens the political approach beyond state religion relations to take into account actions and ideas conveyed in other arenas such as education welfare and culture

**Competing Visions of India in World Politics** K. Sullivan,2015-07-06 This edited collection presents an alternative set of reflections on India s contemporary global role by exploring a range of influential non Western state perspectives Through multiple case studies the contributors gauge the success of India s efforts to be seen as an alternative global power in the twenty first century

**The Rhetorical Rise and Demise of “Democracy” in Russian Political Discourse, Volume 3** David Cratis Williams,Marilyn J. Young,Michael K. Launer,2024-02-20 In Volume Three of this four volume series we examine the rhetorical development that occurred during the first two terms of Vladimir Putin s tenure as president of the Russian Federation Initially Putin appeared to follow in the path set by his predecessor Boris Yeltsin vowing that Russia was at heart a European nation and would be a westward facing democracy going forward He even mentioned partnering with the EU and NATO Eight years later at the 2007 Munich Security Conference Putin excoriated the West for in his words attempting to create a unipolar world in which NATO expansion threatened Russia s security the United States acted as the world s sole hegemon and Europe simply followed orders relinquishing any sense of agency in its own affairs

## The Enigmatic Realm of **Russian Eurasianism An Ideology Of Empire**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Russian Eurasianism An Ideology Of Empire** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

## **Russian Eurasianism An Ideology Of Empire Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russian Eurasianism An Ideology Of Empire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Eurasianism An Ideology Of Empire has opened up a world of possibilities. Downloading Russian Eurasianism An Ideology Of Empire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Eurasianism An Ideology Of Empire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Eurasianism An Ideology Of Empire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Eurasianism An Ideology Of Empire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Eurasianism An Ideology Of Empire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Russian Eurasianism An Ideology Of Empire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Russian Eurasianism An Ideology Of Empire Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Eurasianism An Ideology Of Empire is one of the best book in our library for free trial. We provide copy of Russian Eurasianism An Ideology Of Empire in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Eurasianism An Ideology Of Empire. Where to download Russian Eurasianism An Ideology Of Empire online for free? Are you looking for Russian Eurasianism An Ideology Of Empire PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Eurasianism An Ideology Of Empire. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Eurasianism An Ideology Of Empire are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of

books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Eurasianism An Ideology Of Empire. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Eurasianism An Ideology Of Empire To get started finding Russian Eurasianism An Ideology Of Empire, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Eurasianism An Ideology Of Empire So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Eurasianism An Ideology Of Empire. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Eurasianism An Ideology Of Empire, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Eurasianism An Ideology Of Empire is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russian Eurasianism An Ideology Of Empire is universally compatible with any devices to read.
