***Child Agency and Voice in Therapy*** Phil Jones, Lynn Cedar, Alyson Coleman, Deborah Haythorne, Daniel

Mercieca, Emma Ramsden, 2020-11-23 *Child Agency and Voice in Therapy* offers innovatory ways of thinking about and working with children in therapy. The book considers different practices such as respecting the rights of the child in therapy and recognising and listening to children as active agents and experts. It features approaches that access children's views of their therapy, engage with them as researchers or co-researchers, and that use play and arts-based methods. It draws on arts therapies research in ways that enable insight and learning for all those engaged with children's therapy and wellbeing. It considers how the contexts of the therapy, such as a school or counselling centre, relate to the ways children experience themselves and their therapy in relation to rights, agency and voice. *Child Agency and Voice in Therapy* will be beneficial for all child therapists and is a good resource for courses concerning childhood, welfare, therapy, education, wellbeing and mental health.

*Theories of Counseling and Therapy* Jeffrey A. Kottler, Marilyn J. Montgomery, 2010-12-01 A concise, hands-on and experiential text that helps readers understand and apply theory in counseling and psychotherapy. Through a unique approach that makes understanding theories in counseling and psychotherapy fun, stimulating and personally meaningful, this fully updated Second Edition helps students comprehend the various and complex theories, apply the material to their own lives through the use of the reflective exercises in every chapter, and internalize the content of the course. The book's three-part structure includes an introductory section that provides the background necessary for understanding the theories, a middle section that discusses the main theory families, and a final section that focuses on synthesis and application. Throughout the text, the authors seek to surprise readers with the best of the past, excite them with the vitality of the present, and prepare them for their futures as therapists.
