Sap Extension Checklist

S. N. Padhi

Sap Extension Checklist:

An Annotated Checklist and Key to the Snakes of Mexico Hobart Muir Smith,Edward Harrison Taylor,1945 This bulletin supplies checklists and keys for identification of Mexican snake species This work arose partially out of a joint active interest resulting from a collecting trip to Mexico in 1932 Additionally in gathering information the authors studied specimens in the United States National Museum and other collections The authors acknowledge that this treatise can be revised over the years as new materials are found and described Where available the authors have included United States National Museum catalog numbers for type specimens in the species descriptions
