Lady Be Mine Catherine Spencer, 2012-07-16. Lady Be Mine: These were the last words Melody Worth ever expected to hear from James Logan's lips. She happened to be very wealthy, which had never been a problem till now, and James seemed to despise her because of her money. That Melody liked helping other people, including James's father, had no effect on James. In fact, he accused her of interfering. Melody didn't know how to cope with obstinate, infuriating James. Then it suddenly hit her: She was in love with James, but he insisted they had no future together. Melody would simply have to change his mind.

Weekly World News, 1985-07-09. Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Escape from North Korea Melanie Kirkpatrick, 2014-05-13. From the world's most repressive state comes rare good news: the escape to freedom of a small number of its people. It is a crime to leave North Korea. Yet increasing numbers of North Koreans dare to flee. They go first to neighboring China, which rejects them as criminals, then on to Southeast Asia or Mongolia, and finally to South Korea, the United States, and other free countries. They travel along a secret route known as the new underground railroad. With a journalist's grasp of events and a novelist's ear for narrative, Melanie Kirkpatrick tells the story of the North Koreans' quest for liberty. Travelers on the new underground railroad include women bound to Chinese men who purchased them as brides, defectors carrying state secrets and POWs from the Korean War held captive in the North for more than half a century. Their conductors are brokers who are in it for the money, as well as Christians who are in it to serve God. The Christians see their mission as the liberation of North Korea, one person at a time. Just as escaped slaves from the American South educated Americans about the evils of slavery, the North Korean fugitives are informing the world about the secretive country they fled. *Escape from North Korea* describes how they also are sowing the seeds for change within North Korea itself. Once they reach sanctuary, the escapees channel news back to those they left behind. In doing so, they are helping to open their information-starved homeland, exposing their countrymen to liberal ideas and laying the intellectual groundwork for the transformation of the totalitarian regime that keeps their fellow citizens in chains.

Comforting an Orphaned Nation Tobias Hübinette, 2006. The author provides the history of international adoption from Korea and the development of the Korean adoption issue in the political discussion and examines how overseas adopted Koreans are represented in Korean popular culture, feature films, and pop songs. The adoption issue is a national trauma threatening to disrupt the unity and homogeneity of the Korean nation and to question the country's political independence and economic success. The adoption issue can also be seen as an attempt

at reconciling with a difficult past and imagining a common future for all ethnic Koreans at a transnational level
