Drugs and the American Dream Patricia A. Adler,Peter Adler,Patrick K. O'Brien,2012-02-28 Drugs and the American Dream presents an up to date anthology of chiefly contemporary readings that explore the myriad sociological correlates of licit and illicit drug use in the United States Unique approach to the topic that offers an organizing theme of sociological concepts age social class ethnicity gender as well as societal response to drug use including drug education treatment and policy The book is interdisciplinary in terms of approach making it useful in a variety of contexts Includes a wide array of ethnographic articles that place reader directly into the perspectives of drug users through their own voices Brief framing introductions to each article provide interconnective tissue guiding the student to the heart of what s important in the piece that follows Offers a balanced approach to various substances tobacco alcohol prescription drugs and illegal drugs Provides students with a realistic perspective on the extent of substance use in American society as well as a critical appreciation of the real versus imagined harms associated with use of various substances **Inside Ethnography** Miriam Boeri,Rashi K. Shukla,2019-12-10 While some books present ideal ethnographic field methods Inside Ethnography shares the realities of fieldwork in action With a focus on strategies employed with populations at society s margins twenty one

contemporary ethnographers examine their cutting edge work with honesty and introspection drawing readers into the field to reveal the challenges they have faced Representing disciplinary approaches from criminology sociology anthropology public health business and social work and designed explicitly for courses on ethnographic and qualitative methods crime deviance drugs and urban sociology the authors portray an evolving methodology that adapts to the conditions of the field while tackling emerging controversies with perceptive sensitivity Their judicious advice on how to avoid pitfalls and remedy missteps provides unusual insights for practitioners academics and undergraduate and graduate students

Power and Illicit Drugs in the Global South Maziyar Ghiabi, 2020-04-28 More than a hundred years have passed since the adoption of the first prohibitionist laws on drugs Increasingly the edifice of international drug control and laws is vacillating under pressures of reform Scholarship on drugs history and policy has had a tendency to look at the issue mostly in the Western hemisphere of the globe or to privilege Western narratives of drugs and drugs policy This volume instead turns this approach upside down and makes an intellectual attempt to redefine the subject of drugs in the Global South Opium heroin cannabis hashish methamphetamines and khat are among the drugs discussed in the contributions to the volume which spans from Sub Saharan Africa to Southeast Asia including the Middle East North Africa Latin America and the Indian Subcontinent The volume also makes a powerful case for an interdisciplinary approach to the study of drugs by juxtaposing the work of historians political scientists geographers anthropologists and criminologists Ultimately this edited volume is a rich and diverse collection of new case studies which opens up venues for further research This book was originally published as a special issue of Third World Quarterly

Hurt Miriam Boeri, 2018 The historical and social context The life course of baby boomers Relationships The war on drugs and mass incarceration The racial landscape of the drug war Women doing drugs Aging in drug use The culture of control expands Social reconstruction and social recovery Appendix the older drug user study methodology

Crime, Poverty and Survival in the Middle East and North Africa Stephanie Cronin, 2019-11-28 The concept of the dangerous classes was born in a rapidly urbanizing and industrializing nineteenth century Europe It described all those who had fallen out of the working classes into the lower depths of the new societies surviving by their wits or various amoral disreputable or criminal strategies This included beggars and vagrants swindlers pickpockets and burglars prostitutes and pimps ex soldiers ex prisoners tricksters drug dealers the unemployed or unemployable indeed every type of the criminal and marginal This book examines the dangerous classes in the Middle East and North Africa their lives and the strategies they used to avoid evade cheat placate or occasionally resist the authorities Chapters cover the narratives of their lives their relationship with respectable society their political inclinations and their role in shaping systems and institutions of discipline and control and their representation in literature and in popular culture The book demonstrates the liminality of the dangerous classes and their capacity for re invention It also indicates the sharpening relevance of the concept to a Middle East and North Africa now in the grip of an almost permanent sense of crisis its younger generations
