the Tree Everything that has been written here is part of my personal experiences it is something unique that has been inspired by those who dwell in the Dark Tree      *The Magick of Lilith* Baal Kadmon,2016-03-21 There has never been a Goddess in all the western traditions as maligned as the Goddess Lilith She has been called the epitome of all that is evil in the world She was considered wild uninhibited argumentative and sexually deviant She has been called the temptress the prostitute from hell and most popularly as the succubus that comes and not only steals the semen of men as they sleep but also killing them in the process Some of these qualities might very well be true and some not so much One thing we know for sure is that she is a very powerful and ancient goddess In this book we will discuss what we know of her from the Western traditions I will present the information chronologically I will start with the earliest known accounts of Lilith to the most recent I must warn you however much of the evidence we have about Lilith is very biased but despite this I think we can learn much about her and put her reputation into the proper perspective Although some may consider her evil I consider her the quintessential goddess of the left hand path In this book we will discuss the story of Lilith and more importantly we will learn how to tap into her fierce energy so we too can walk the left hand path with her She is not for the faint of heart You have been warned In this book we will preform 7 rituals 1 To Place a curse on your enemy 2 Bind someone to do your will It could be for any purpose 3 To gain Seductive powers 4 To Gain Protection from Lilith Read carefully 5 To gain courage and Inner Strength 6 To Gain Occult Power and Wisdom 7 Sexually Dedicate yourself to Lilith      *Lilith* Daemon
