## **Rumspringa To Be Or Not Amish Tom Shachtman:**

*Rumspringa* Tom Shachtman, 2007-05-29 A revelatory look at Amish youth as they have never been looked at before *Rumspringa* is a fascinating look at a little known Amish coming of age ritual the rumspringa the period of running around that begins for their youth at age sixteen Through vivid portraits of teenagers in Ohio and Indiana Tom Shachtman offers an account of Amish life as a mirror to the soul searching and questing that we recognize as a generally intrinsic part of adolescence The trappings of the Amish way of life the plain clothes and electricity free farms conceal the communities mystery how they manage to retain their young people and perpetuate themselves generation after generation The key to this is the rumspringa when Amish youth are allowed to live outside the bounds of their faith experimenting with alcohol premarital sex trendy clothes telephones drugs and wild parties By allowing them such freedom their parents hope they will learn enough to help them make the most important decision of their lives whether to be baptized as Christians join the church and forever give up worldly ways or to remain out in the world In this searching book Shachtman draws on his skills as a documentarian to capture young people on the cusp of a fateful decision and to give us an original and deeply affecting portrait of the Amish as a whole

**Growing Up Amish** Richard A. Stevick, 2014-06-15 Accurately reveals the challenges faced by Amish youth caught between the expectations of traditional community and the pressures and temptations of adolescence On the surface it appears that little has changed for Amish youth in the past decade children learn to work hard early in life they complete school by age fourteen or fifteen and a year or two later they begin *Rumspringa* that brief period during which they are free to date and explore the outside world before choosing whether to embrace a lifetime of Amish faith and culture But the Internet and social media may be having a profound influence on significant numbers of the Youngie according to Richard A Stevick who says that Amish teenagers are now exposed to a world that did not exist for them only a few years ago Once hidden in physical mailboxes announcements of weekend parties are now posted on Facebook Today thousands of Youngie in large Amish settlements are dedicated smartphone and Internet users forcing them to navigate carefully between technology and religion Updated photographs throughout this edition of *Growing Up Amish* include a screenshot from an Amish teenager's Facebook page In the second edition of *Growing Up Amish* Stevick draws on decades of experience working with and studying Amish adolescents across the United States to produce this well rounded definitive and realistic view of contemporary Amish youth Besides discussing the impact of smartphones and social media usage he carefully examines work and leisure rites of passage the rise of supervised youth groups courtship rituals weddings and the remarkable Amish retention rate Finally Stevick contemplates the potential of electronic media to significantly alter traditional Amish practices culture and staying power

**The Amish and the Media** Diane Zimmerman Umble, David L. Weaver-Zercher, 2008-04-21 Of all the religious groups in contemporary America few demonstrate as many reservations toward the media as do the Old Order Amish Yet these attention wary citizens have become a media phenomenon featured in

films novels magazines newspapers and television from Witness Amish in the City and Devil s Playground to the intense news coverage of the 2006 Nickel Mines School shooting But the Old Order Amish are more than media subjects Despite their separatist tendencies they use their own media networks to sustain Amish culture Chapters in the collection examine the influence of Amish produced newspapers and books along with the role of informal spokespeople in Old Order communities

**How Evolution Explains the Human Condition** Roger Bourke White Jr,2013-03-26 Ah the mysteries of life Why is mankind a boom species Why should we worry it if is Why is the Bibles Curse of Eve real and necessary for human progress How does Panic and Blunder Thinking get us into deep deep trouble And if its so bad why do we still use it These are questions of the human condition and using evolution to answer these questions is what this book is all about **Just, Reasonable Multiculturalism** Raphael Cohen-Almagor,2021-07-29 This book explores the main challenges against multiculturalism It aims to examine whether liberalism and multiculturalism are reconcilable and what are the limits of liberal democratic interventions in illiberal affairs of minority cultures within democracy In the process this book addresses three questions whether multiculturalism is bad for democracy whether multiculturalism is bad for women and whether multiculturalism contributes to terrorism Just Reasonable Multiculturalism argues that liberalism and multiculturalism are reconcilable if a fair balance is struck between individual rights and group rights Raphael Cohen Almagor contends that reasonable multiculturalism can be achieved via mechanisms of deliberate democracy compromise and when necessary coercion Placing necessary checks on groups that discriminate against vulnerable third parties the approach insists on the protection of basic human rights as well as on exit rights for individuals if and when they wish to leave their cultural groups

**Breakaway Amish** Johnny Mast,2016-08-01 I am the grandson of Bishop Sam Mullet who was arrested for the Amish beard cutting attacks This is my story Beard cutting attacks on Amish people in the middle of the night Five incidents Nine victims How could members of a Christian tradition known for peace and forgiveness enact such violence What could make members of one Amish group turn against other Amish In Breakaway Amish Johnny Mast tells in riveting detail how his Amish community became increasingly isolated from other Amish people and how the wishes and edicts of his grandfather Bishop Sam Mullet overtook daily life in the group Over time members became convinced that cutting their own hair was a sign of repentance and remorse When that conviction led them to cut off the beards of those outside their community however it was more than a strange religious ritual It was a crime Here is an eyewitness account of the disturbing events at Bergholz an Amish community gone awry Yet redemption dwells even here in the bravery and conviction of one who chose to break free *Bigotry and Intolerance* Kathlyn Gay,2013-03-14 While many people appreciate cultural social political and religious diversity there are others who feel compelled to express their intolerance for others through cruel words and actions Their behavior often stems from ignorance and insecurity and they demonstrate their prejudices by belittling others who are different from them These narrow minded individuals attack others based on any number of reasons including

religious beliefs sexual orientation cultural background social standing or physical appearance In *Bigotry and Intolerance The Ultimate Teen Guide* Kathlyn Gay looks at the various reasons why people of all age levels and backgrounds feel the need to disparage others This book also offers help to teens who are the object of fear and hatred by showing them how to combat such behavior Topics covered in this book include the meaning of bigotry and intolerance types of bigotry from religious bigotry to homophobia the difference between bigotry and racism what it feels like to be the target of bigotry how to cope with discrimination individuals and groups that advocate tolerance and appreciation of cultural diversity Aimed at young adults who are interested in fighting bigotry and intolerance this book will help teens who suffer from the small mindedness of others It might also help those who are less tolerant find some common ground with those who are different from them and lead to a better understanding of how diversity makes for a richer more interesting world Featuring commentary from several young adults *Bigotry and Intolerance The Ultimate Teen Guide* will be welcomed by those who want to turn the tide of prejudice and fear in their schools and in their communities

*The Construction of Discourse as Verbal Interaction* María de los Ángeles Gómez González, J. Lachlan Mackenzie, 2018-09-20 This edited volume showcases new work on discourse analysis by big names in the field and promising early career researchers Arising from the latest in the series of IWoDA workshops in Santiago de Compostela it provides novel insights into both the explicit and the implicit characteristics of discourse as used in verbal interaction Discourse markers as their name indicates are among the explicit signals of coherence while discourse relations may be either explicit or implicit Similarly the discourse used for purposes of evaluation stance taking and interpersonal engagement is either overt or covert as is also true of the expression of emotions and empathy This in general terms is the challenging terrain into which the contributors to this volume have ventured The book combines theoretical issues with a practical orientation comparing languages analysing different registers studying the openings of Skype conversations and much more besides it will prove highly relevant for postgraduate and advanced practitioners of discourse analysis interaction studies semantics and pragmatics

**Shaping North America** James E. Seelye Jr., Shawn Selby, 2018-08-03 This fascinating multivolume set provides a unique resource for learning about early American history including thematic essays topical entries and an invaluable collection of primary source documents In 1783 just months after the United States achieved independence from Great Britain General George Washington was compelled to convince his officers not to undertake a military coup of the Congress of Confederation Had the planned mutinous coup of the Newburgh Conspiracy gone forward the American experiment may have ended before it even began The pre colonial and colonial periods of early American history are filled with accounts of key events that established the course of our nation's development This expansive three volume set provides entries on a wide variety of topics and themes in early American history to elucidate how the United States came to be Written in straightforward language the encyclopedic entries on social political cultural and military subjects from the pre Columbian period through the creation of the Constitution roughly 1400

1790 will be useful for anyone wishing to deeply investigate the who what where when and why of early America Additionally the breadth of primary documents including personal diaries letters poems images treaties and other legal documents provides readers with firsthand sources written by the men and women who shaped American history both the famous and the less well known Each of the three volumes also presents thematic essays on highlighted topics to fully place the individual entries within their proper historical context and heighten readers comprehension Street Signs David P. Leong, 2012-07-01 *Street Signs* is an engaging missiological inquiry into the cultural and theological meaning of the city Through the lens of Seattle s Rainier Valley one of the most ethnically and socioeconomically diverse communities in the US this work constructs an urban missional and contextual theology that is shaped by the local realities of urban neighborhoods but relevant to cities everywhere Focused on the themes of incarnation confrontation and imagination *Street Signs* explores the contours of missional theology in urban contexts marked by physical density social diversity and economic disparity In addition to examining contextualization and cultural theory *Street Signs* also utilizes creative research methods like urban exegesis cultural semiotics and theology of the built environment For the urban ministry practitioner or the theologian in the city this work aims to engage thoughtful Christians with missiological and theological reflections on place neighbor and community Why Liberalism Failed Patrick J. Deneen, 2019-02-26 One of the most important political books of 2018 Rod Dreher American Conservative Of the three dominant ideologies of the twentieth century fascism communism and liberalism only the last remains This has created a peculiar situation in which liberalism s proponents tend to forget that it is an ideology and not the natural end state of human political evolution As Patrick Deneen argues in this provocative book liberalism is built on a foundation of contradictions it trumpets equal rights while fostering incomparable material inequality its legitimacy rests on consent yet it discourages civic commitments in favor of privatism and in its pursuit of individual autonomy it has given rise to the most far reaching comprehensive state system in human history Here Deneen offers an astringent warning that the centripetal forces now at work on our political culture are not superficial flaws but inherent features of a system whose success is generating its own failure *Success, Your Way* G. **Common Purse, Uncommon Future** Joseph C. Manzella, 2010-09-02 This book documents the wide range of  
contemporary communes and other intentional communities providing sanctuaries for like minded people to pursue  
cooperative alternatives to media stoked consumerism and the relentless tempo of change that characterizes mainstream life  
in 21st century America and Europe *Common Purse Uncommon Future The Long Strange Trip of Communes and Other  
Intentional Communities* explores the many new types of communal living being tried in America and Europe today A  
growing number of people disenchanted with the pressures and demands of mainstream lifestyles are drawn by the nostalgic  
appeal of traditional mostly agrarian and artisanal lifestyles as practiced in residential communities where liminal rituals of  
membership serve to validate pacts to live and work together in cooperative social and economic relations Manzella focuses  
on the ways in which today's most innovative and controversial ecovillages diverge from the hippie communes of yesteryear's  
counterculture and from older communal forms such as kibbutzim and arts and crafts colonies and how today's nonsectarian  
spiritual and volunteer service communities differ from traditional religious communes and ashrams He reports his field  
investigations of a whole new generation of communal living experiments such as residential land trusts survivalist retreats  
urban cohousing green housing cooperatives student co ops and New Age organic agrarian communes **Gentlemen**

**The Ritual Effect** Michael Norton, 2025-05-20 In the bestselling tradition of Charles Duhigg's *The Power of Habit* and Angela Duckworth's *Grit* a renowned social psychologist demonstrates how a subtle turning of habits into rituals can clear a little space for everyday magic *The Guardian* in our lives Our lives are filled with repetitive tasks meant to keep us on track what we come to know as habits Over time these routines like brushing your teeth or putting on your right sock first tend to be performed automatically But when we're more mindful about these actions when we focus on the precise way they are performed they can instead become rituals Shifting from a habitual mindset to a ritual mindset can convert ordinary acts from black and white to technicolor Think about the way you savor a certain beverage the care you take with a particular outfit that gets worn only on special occasions the unique way that your family gathers around the table during holidays or the secret language you enjoy with your significant other To some these behaviors may seem quirky but because rituals matter so deeply to us on a personal level they give our lives purpose and meaning Drawing on a decade of original research Norton shows that rituals play a role in healing communities experiencing a great loss marking life's major transitions driving a stadium of sports fans to ecstasy and helping us rise to

challenges and realize opportunities Compelling insightful and practical The Ritual Effect reminds us of the intention filled acts that drive human behavior and create surprising satisfaction and enjoyment *Plain Answers About the Amish Life* Mindy Starns Clark,2013-09-01 For Amish fiction readers young and old alike Plain Answers About the Amish Life provides a glimpse into an obscure fascinating world what the Amish believe and how they live An engaging question and answer format showcases fun and fresh facts about the people who abide by this often misunderstood faith and unique culture This updated and revised guide by Mindy Starns Clark more than 250 000 Amish themed books sold covers a wide variety of topics such as beliefs and values clothing and transportation courtship and marriages hunting and discipline teens and young children and the elderly education and work Presented in an easy to read style these Plain answers to questions about the Amish are a great resource for anyone interested in Amish life Formerly titled A Pocket Guide to Amish Life *The Publishers Weekly* ,2007 **Airlift to America** Tom Shachtman,2009-09-15 This is the long hidden saga of how a handful of Americans and East Africans fought the British colonial government the U S State Department and segregation to transport to or support at U S and Canadian universities between 1959 and 1963 nearly 800 young East African men and women who would go on to change their world and ours The students supported included Barack Obama Sr future father of a U S president Wangari Maathai future Nobel Peace Prize laureate as well as the nation builders of post colonial East Africa cabinet ministers ambassadors university chancellors clinic and school founders The airlift was conceived by the unusual partnership of the charismatic later assassinated Kenyan Tom Mboya and William X Scheinman a young American entrepreneur with supporting roles played by Jackie Robinson Harry Belafonte Sidney Poitier and Martin Luther King Jr The airlift even had an impact on the 1960 presidential race as Vice President Richard Nixon tried to muscle the State Department into funding the project to prevent Senator Jack Kennedy from using his family foundation to do so and reaping the political benefit The book is based on the files of the airlift s sponsor the African American Students Foundation untouched for almost fifty years
