*Christian Eternalism* Armon Eaton,2020-07-24 John A Widtsoe said The Gospel may be said to be The philosophy of Eternalism The Gospel is immersed in the ocean of eternity Neal A Maxwell said Eternalism is defined as that view of man and the universe which not only acknowledges but exults in the existence of a Heavenly Father Eternalism focuses on the individual and on those processes in which the individual is taught correct principles and then is

given optimum opportunity to govern himself For those who believe we are all going to be around forever it is both natural and wise to concern ourselves with such questions and also with such principles which are also going to be around forever These quotes involving the word Eternalism indicate a deep philosophical foundation underlying everything about the restored gospel of Jesus Christ This book describes some of the philosophical foundations of what Latter day Saints call the Restoration In the broadest sense philosophy is concerned with mankind s relationship to existence whereas theology is concerned with mankind s relationship to God Both philosophy and theology are important to Latter Day Saints because one s view of God is greatly influenced by one s view of reality Eternalism then in the broadest sense is Latter day Saint theology explained within a philosophically sound structure

The other glass ceiling Charles S Areni, Stephen S Holden, 2014-05-13

The other glass ceiling offers an insightful male perspective to a debate on the lack of work family balance in modern day families Based on research and full of entertaining anecdotes this book challenges the predominant gender roles that expect a mother to care for her family and doubt her commitment to a career while at the same time requiring a father to provide for his family financially and doubting his ability to look after his own children This is the other glass ceiling the one reflected in gender inequity in the family home and preventing equality in parenting The other glass ceiling is perpetuated by both genders equally and the solution requires compromises from both sides Charles Areni and Stephen Holden encourage dads to step up to take on a bigger share of the burden of home duties They encourage mums to let go to let dad get involved in child rearing and to bring to the task his own skills and approaches Breaking through this other glass ceiling will be good for mum good for dad oh and good for the children too
