Raising Boys Who Do Better Uju Asika,2023-06-01 I am so grateful for this book There is palpable love in it Love with eyes wide open to the dangers our boys face in today s world and love leading to a better kinder place Uju Asika has done a lot of homework culturally and historically and through raising her boys and I will implement her lessons with my own boys Rob Delaney comedian actor writer and Sunday Times bestselling author of A Heart That Works Uju Asika writes with much empathy and insight about some of the hard conversations we need to have as a society Her first book Bringing Up Race changed the way I think act and talk about race I am sure this book will be just as transformative for countless parents and educators of boys It s a deeply engaging read that shines with Uju s trademark wit and wisdom Julia Samuel bestselling author podcaster and award winning psychotherapist As a domestic equity advocate I believe if we want to change the world we need to start at home Raising Boys Who Do Better is exactly the book I ve been looking for as a mother trying to bring up my two boys against the weight of patriarchal conditioning What I love about Uju s writing is that she doesn t preach or push an agenda instead she invites us to reframe the way we think about masculinity and how we can ALL do better for our sons and for society at large A funny thought provoking and heart centred read that I would recommend to anyone not just parents of boys Eve Rodsky New York Times bestselling author of Fair Play and Find Your Unicorn Space This is such a wide ranging informative and relatable book that really resonated with me Parenting our sons is often the forgotten part of equality With an understanding of what it s actually like to bring up a boy in the 21st Century Uju Asika has brought together research with her own experiences giving parents some of the prompts and tools we need to raise our sons to do better Kirstie Beaven co founder and editor in chief of Sonshine magazine Raising Boys Who Do Better is the most wonderful guide to navigating the increasingly complex role of ensuring we raise our boys to be true to themselves and not let their gender define them Uju Asika shares honestly and openly as a mother bonus mother of three boys and writes with an inquisitive mind which together with her humour referencing a world of farts and manspreading makes for an easy and page turning read Given the increasingly worrying rate of suicides amongst young males I predict this book is going to be a significant and important resource for any parent bringing up sons and educators dealing with boys to ensure we all are aware of the part we play in

raising them to be contented confident and considerate men Elaine Halligan parenting coach and author of My Child's Different We need to have a conversation about boys There has never been a more important time to consider how we are raising the men of the future This is an invitation for parents of boys as well as anyone who cares about the young males in their lives Parents of daughters aunts uncles grandparents teachers community leaders this is a discussion that we all need to participate in Whether we are expecting a baby boy parenting young men or are simply interested in effecting positive change many of us are asking how we can raise boys who challenge the status quo and are empowered to stand up for what is right Confronting toxic masculinity and delving into the hot button issues affecting boys today from education to sexism power to consent Raising Boys Who Do Better looks at bringing up boys in the era of MeToo and Black Lives Matter Inside the pages of Raising Boys Who Do Better you will find Interviews with experts in parenting gender and psychology Practical and applicable tips journaling prompts as well as advice for initiating conversations with boys and young men of every age Offering practical tips journalling prompts and conversation starters Uju Asika will include interviews with experts as well as her own anecdotal experiences as a mother and step mother Exploring the relationships between parents and their sons brothers friendships and the wider community this book is an absolute must read for those who want to help nurture the boys in their lives to grow up into compassionate kind healthy and successful men

Wilds Rage Bill Jacobsen, Bill Jacobsen Sr, 2012-03-27 For over the last sixty years just a handful of certain elite higher up officials and scientists in our government have been harboring some very amazing secrets deep down in the bowels of area 51 These secrets have been kept very highly classified from even all the military personnel their and all the US Presidents during this time period Until finally the secrets have matured to a level of finely machined tools to be turned loose on this planet with an assortment of amazing weapons beyond today's reality Wilds and Celia grow up almost as normal as others Suddenly one day as they turn into young adults they find themselves very different from others They had to learn very young and very fast to master the art of hiding who they have become Are they thrill seekers suicidal or just plain born on this planet as a half breed alien race You will have to decide as the proof is in the RAGE You could say they were planned out many years before conception to be what they are today Completely extraordinary unite and superior while being unmatched by any other in the world Are they thrill seekers suicidal or just plain bizarre You will have to decide as Wilds Rage takes human life on this planet to another level The human population of this planet is in turmoil today and we need to set it's people back on the right path How do we do it in our lifetime There is but one way It's not sugar coated it's not inhumane either but it's somewhere in between It's in that gray area between a rock and a hard place that most people close their mind and eyes too Where does this book take you It takes you to Florida Italy International Space Station Russia Phoenix Islands Cambodia and Afghanistan There's also a new revolutionary technical breakthrough in energy Putting oil as we know it on the back burner Even under strict military orders their missions are totally insane but something or somebody has to do the impossible to get this planet humanity back to
