Flor Labuguen

COURSE OUTCOME:

CO 3	Identify the various social problems and express responsibilities as individuals towards mankind and the environment.
------	---

Learning Objectives

At the end of this unit, the student should be able to:

- Identify the documents, monitoring and evaluation instruments need in measuring the success of NSTP community immersion projects.
- Make use of the documentation technique, monitoring guides and evaluation instruments to ensure meaningful program implementation of NSTP; and
- Appreciate the values of having proper documentation, monitoring and evaluation of the project for community service.

Planning and implementing a NSTP project is one vital issue in NSTP community immersion. Measuring the success of the project is another thing. The trainees do not carry out plans just for the sake of compliance; otherwise the very purpose of community immersion is defeated. Hence, proper documenting, monitoring, and evaluating the NSTP community-based projects are a must.

Documentation of the NSTP Project for Community Services

Discussion Highlights

Documentation is a clear-cut proof that projects are conducted with the notes and observing being recorded as guidelines for future programs like the NSTP.

A dynamic documentation service requires information on new development in management relevant to the work and the program. Specifically, on:

- Updated status report is already reference of data that can be the source of the information for NSTP, additional income and undertaking for the institution.
- Information on the work methods and results obtained in previous programs must be available for new assignments.
- Serves as references for:
