Douglas Pratt

Fast Food And Junk Food 2 Volumes An Encyclopedia Of What We Love To Eat:

Fast Food and Junk Food Andrew F. Smith, 2011-12-02 This fascinating and revealing work examines the incredible power of junk food and fast food how nostalgic we are about them the influence of the companies that manufacture or sell them and their alarming effect on our country's state of health In the last half century junk food and fast food have come to play an extremely important role in American economic historical cultural and social life Today they have a major influence on what Americans eat and how healthy we are or aren't **Fast Food and Junk Food An Encyclopedia of What We Love to Eat** tells the intriguing fun and incredible stories behind the successes of these commercial food products and documents the numerous health related environmental cultural and politico economic issues associated with them With more than 700 alphabetically arranged entries this two volume encyclopedia contains enough listings to allow readers to research a wide range of fascinating topics The author treats the massive amount of subject material within this reference title in a fair and balanced manner A secondary focus of this encyclopedia is to chart the spread of some American fast food chains and commercially produced junk foods internationally

Street Food around the World Bruce Kraig, Colleen Taylor Sen, 2013-09-09 In this encyclopedia two experienced world travelers and numerous contributors provide a fascinating worldwide survey of street foods and recipes to document the importance of casual cuisine to every culture covering everything from dumplings to hot dogs and kebabs to tacos Street foods run deep throughout human history and show the movements of peoples and their foods across the globe For example mandoo manti momo and baozi all of these types of dumplings originated in Central Asia and spread across the Old World beginning in the 12th century This encyclopedia surveys common street foods in about 100 countries and regions of the world clearly depicting how fast foods of the common people fit into a country or a region's environments cultural history and economy The entries provide engaging information about specific foods as well as coverage of vendor and food stall culture and issues An appendix of recipes allows for hands on learning and provides opportunities for readers to taste international street foods at home

Food Cultures of the United States Bruce Kraig, 2020-01-23 This comprehensive volume examines the history of American food culture and cuisine today from staple ingredients to dietary concerns Everyday without realizing it Americans plan their days around food what to make for dinner where to meet for brunch what to bring to a party As a nation of immigrants the U S has food and foodways that few countries in the world have This addition to the Global Kitchen series examines all aspects of food culture in the United States from the early Colonial period and Native American influences on the new immigrants food to the modern era The volume opens with a Chronology that looks at United States history and significant food events Coverage then dives deep into the history of food in the U S and is followed by a chapter on influential ingredients in American cooking Chapters break down American cuisine into appetizers and side dishes main dishes and desserts looking at typical meals and flavors that characterize it Additional chapters examine food eaten during holidays and on special occasions street food and

snacks and restaurants A final chapter looks at issues and dietary concerns Recipes round out each chapter

Food and World Culture Linda S. Watts, Kelly Clark-Mahoney, 2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to most people The story of food is a narrative filled with both human striving and human suffering However many of today's diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food's history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient's story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world's fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics
