If you find a good copy, you could print it using a network printer you share with 100 other people; typically, it's either out of paper or toner. If it's just a 10-page document, no problem, but if it's 250 pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com. We include a Table of Contents on the back cover for quick reference. We print these paperbacks as a service so you don't have to.
