Measuring Sustainability and CSR: From Reporting to Decision-Making Slobodan Kacanski, Johannes Kabderian Dreyer, Kristian J. Sund, 2023-03-28 This book discusses reliability and other related issues such as reporting and decision making pertinent to sustainability and corporate responsibility reporting practices Investors governments and NGOs expect businesses to report their environmental and social performance This information is used to legislate regulate industries and guide the investment of billions of dollars through pensions and mutual funds But can we trust these measurements In order to answer this

question the editors and contributors all academic thought leaders from a variety of fields offer a set of reflections on problems that various stakeholders might be exposed to These problems are mainly due to a lack of standardized reporting practices and guidelines and inconsistencies in measurements used for the valuation of corporate sustainability performance indicators This book is of great interest to students scholars and stakeholders to help comprehend the importance of accounting on sustainability practices for decision making and measures therein but also the reliability risks involved in these measurements Thus it moves away from simply pushing for more sustainability reporting towards a more critical discussion of measurement issues and potential consequences of the aforementioned problems to different fields such as finance marketing or strategy Canadian Journal of Forest Research ,2010 *The Economics of Ecosystems and Biodiversity in Business and Enterprise* Joshua Bishop,2013-06-17 This book is a product of the TEEB study The Economics of Ecosystems and Biodiversity It provides important evidence of growing corporate concern about biodiversity loss and offers examples of how leading companies are taking action to conserve biodiversity and to restore ecosystems This book reviews indicators and drivers of biodiversity loss and ecosystem decline and shows how these present both risks and opportunities to all businesses It examines the changing preferences of consumers for nature friendly products and services and offers examples of how companies are responding The book also describes recent initiatives to enable businesses to measure value and report their impacts and dependencies on biodiversity and ecosystem services The authors review a range of practical tools to manage biodiversity risks in business with examples of how companies are using these tools to reduce costs protect their brands and deliver real business value The book also explores the emergence of new business models that deliver biodiversity benefits and ecosystem services on a commercial basis the policy enabling frameworks needed to stimulate investment and entrepreneurship to realize such opportunities and the obstacles that must be overcome The book further examines how businesses can align their actions in relation to biodiversity and ecosystem services with other corporate responsibility initiatives including community engagement and poverty reduction Finally the book concludes with a summary and recommendations for action **President's Tax Relief Proposals** United States. Congress. House. Committee on Ways and Means,2001 Global Political Economy John Ravenhill,2014 Dealing with the central themes and issues of the subject this text outlines the different theoretical approaches of the global political economy as well as engaging key contemporary debates such as worldwide trade and production **European Foreign Policy in a Decarbonising World** Sebastian Oberthür,Dennis Tänzler,Emily Wright,Gauri Khandekar,2021-12-24 Contributing to the emerging literature on the geopolitical and foreign policy implications of decarbonisation and energy transition processes this book sheds light on the future of the European Union s EU external relations under decarbonisation Under the Paris Agreement on climate change adopted in 2015 governments are committed to phasing out the emissions of carbon dioxide and other greenhouse gases over the coming decades This book addresses the many questions around this process of decarbonisation through detailed

analyses of EU external relations with six fossil fuel exporting countries Nigeria Indonesia Azerbaijan Colombia Qatar and Canada The authors systematically examine the six countries varying dependence on fossil fuels the broader political and security context current relations with the EU and the potential for developing these towards decarbonisation In doing so they put forward a series of findings that should hold across varying circumstances and provide a steppingstone to enrich and inspire further research on foreign policy external relations and international relations under decarbonisation The book also makes an important contribution to understanding the external implications of the 2019 European Green Deal This volume will be of great interest to students and scholars of European environmental and climate policy climate diplomacy energy policy foreign policy and climate energy geopolitics The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003183037> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Report: Ghana 2022 Oliver Cornock, Ghana is the first African country to achieve independence from British colonial rule and is widely known for its natural resources such as cocoa as well as its inland water sources Several measures have been taken to balance government revenue and spending and the country remains a safe haven for foreign direct investment which stood at 830m in the first half of 2021 The most recent general elections held in December 2020 were favourably assessed by observers who noted that they represented a continuation of democratic processes

The Top Books of the Year Forest Financing The Growth Of Timberland Investment Pwc The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Forest Financing The Growth Of Timberland Investment Pwc : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Forest Financing The Growth Of Timberland Investment Pwc : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Forest Financing The Growth Of Timberland Investment Pwc : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
