## **Forex For Ambitious Beginners:**

*Forex for Ambitious Beginners* Jelle Peters, 2012-06 There are many books that promise to teach you highly profitable trading systems to show you how easy making money trading the forex really is This is not one of those books Forex for Ambitious Beginners will not turn you into a profitable trader only you can do that through practice study and persistence But this book will help you avoid many many mistakes beginning traders make You will learn essential elements of successful forex trading such as how to protect your trading capital how to find a forex trading strategy that matches with your trader personality and how to build your own trading system and tweak it for optimum performance The book will also touch on important basics about the FX market that traders need to know about Who the players on the forex are for instance and which factors influence the most important currencies Other topics include specific forex trading strategies popular technical indicators how to read candlestick charts and how to recognize chart patterns Forex for Ambitious Beginners is about minimizing risk and maximizing potential about looking for ways to continuously bend the odds in your favor It will provide you with a solid foundation on which you can start building your forex trading career The book concludes with a challenging quiz offering detailed explanations of the correct answers In short if you re ambitious and want to really learn how to trade the forex as opposed to being spoon fed a fantasy about some super strategy then Forex for Ambitious Beginners is for you About the author Jelle Peters is the founder of the popular forex website [www.forexinfo.nl](http://www.forexinfo.nl) He writes daily currency analysis has published numerous articles on forex strategies and is a sought after speaker for forex webinars and seminars See also [www.forexforambitiousbeginners.com](http://www.forexforambitiousbeginners.com)

**Forex for Beginners** Adam Kritzer, 2013-02-03 Backed by a comprehensive list of studies this book is a brilliant contribution on the connections between exchange rates and economics Francesc Riverola CEO and Founder of FXstreet.com Adam Kritzer has been covering the forex market for years as a prominent but accessible industry expert In a market sector full of pitfalls for the novice this book will help many new traders avoid costly mistakes and get started on the path to success Andy Hagans Co founder of ETF Database Adam Kritzer is not only one of my favorite forex writers but also one of the best This book will likely become required reading for those getting into the forex market Zachary Storella Founder of CountingPips.com **Forex for Beginners A Comprehensive Guide to Profiting from the Global Currency Markets** is a guide for those who want to earn extra income trading currencies without committing large amounts of time or money This book will introduce global investors to the basics of forex foreign exchange trading and provide them with a solid framework for analyzing currencies and profiting from their fluctuations Topics covered include the forces that cause exchange rates to fluctuate an overview of the mechanics of trading analytical and forecasting tools how to profit from pricing trends and common pitfalls that often ensnare traders While most books make grandiose promises of instant success and large profits *Forex for Beginners* represents an alternative approach to investing in forex The forex market is dominated by institutional capital and algorithmic trading making it unrealistic to think that day traders can beat the market by relying

on charts and technical indicators alone Thus the emphasis here is on fundamental analysis using economic concepts to spot currency misalignments and staking out positions to profit from them over a period of weeks and months If you're eager to tap into the world's largest financial market on a part-time basis this is the book for you You will gain an understanding of how currency markets work and use this knowledge to generate income

**Forex Trading for Beginners** Mark Davis, 2022-03-29 Would you like to change your life thanks to forex trading Would you like to build alternative income with only a PC and an internet connection Are you tired of losing your hard-earned money to misguided forex trades If you answered Yes to at least one of these three questions then keep reading I'm Mark Davis and I am a full-time professional trader, trade system developer and trading coach with decades of experience I have taught hundreds of people how to make a living from trading Investing in the foreign exchange Forex market is an opportunity today that should not be missed Forex is defined as the largest, most liquid and most versatile financial market in the world Forex is like a video game when you are inside it takes over you and it becomes a huge passion but unlike a video game you get paid to play It is clearly not a real game but it is serious business and what I do is teach you how to become the best forex trading player Here's what you'll learn in this book How to take advantage of the current big opportunity to invest in Forex The true strength of a forex trader The importance of technical analysis How to build winning trading strategies Learn to manage the emotions that influence your trading decisions psychology of a trader How to imitate the daily routine of successful people And much much more Even if you don't know anything about forex trading don't worry this book was written with the intent of giving you thorough knowledge on the topic along with all the necessary means to start operating independently Before investing in something you need to invest some time to understand it If you have read up to this point you are definitely a determined person ready to become a professional trader to live the life you have always dreamed of Don't waste any more time click the Buy Now button
