

THE FINANCIAL DETECTIVE, 2005

Reading/Class

By reports and steps down

The case presents the student with financial information from points of confidential sources and asks them to make the diagnosis of the company while the financial position declines from the surface. The primary objective of this case is to illustrate the importance of financial analysis in the management of the company. The student is asked to identify the strengths and weaknesses of the company and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position.

Suggested Assignments:
1. Read the case and identify the strengths and weaknesses of the company.
2. Develop a plan of action to improve the company's financial position.
3. Identify the strengths and weaknesses of the company's financial position and develop a plan of action to improve the company's financial position.

The student is asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position.

Suggested Assignments: 1. Read the case and identify the strengths and weaknesses of the company.

The student is asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position. The student is also asked to identify the strengths and weaknesses of the company's financial position and to develop a plan of action to improve the company's financial position.
