Fire In My Bones By Benson Idahosa :

Fire in His Bones Ruthanne Garlock, 1981 Political Spiritualities Ruth Marshall, 2009-08-01 After an explosion of conversions to Pentecostalism over the past three decades tens of millions of Nigerians now claim that Jesus is the answer But if Jesus is the answer what is the question What led to the movement s dramatic rise and how can we make sense of its social and political significance In this ambitiously interdisciplinary study Ruth Marshall draws on years of fieldwork and grapples with a host of important thinkers including Foucault Agamben Arendt and Benjamin to answer these questions To account for the movement s success Marshall explores how Pentecostalism presents the experience of being born again as a chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras Her astute analysis of this religious trend sheds light on Nigeria s contemporary politics postcolonial statecraft and the everyday struggles of ordinary citizens coping with poverty corruption and inequality Pentecostalism s rise is truly global and Political Spiritualities persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics *Missions, Nationalism and the End of Empire* Stanley, Elaine M. Low, 2003 Christian missions have often been seen as the religious arm of Western imperialism What is rarely appreciated is the role they played in bringing about an end to the Western colonial empires after the Second World War *Missions Nationalism and the End of Empire* explores this neglected subject Respected authorities on the history of missions explore new territory in these chapters examining from diverse angles the linkages between Christianity nationalism and the dissolution of the colonial empires in Asia and Africa This work not only sheds light on the relation of religion and politics but also uncovers the sometimes paradoxical implications of the church s call to bring the gospel to all the world Contributors Daniel H Bays Philip Boobbyer Judith M Brown Richard Elphick Deborah Gaitskell Adrian Hastings Caroline Howell Ka che Yip Ogbu U Kalu Hartmut Lehmann Derek Peterson Andrew Porter Brian Stanley John Stuart *Crashed Realities? Gender Dynamics in Nigerian Pentecostalism* Itohan Mercy Idumwonyi, 2023-12-18 *Crashed Realities* explores the lived realities women Pentecostals encounter in male founded Pentecostal churches Idumwonyi demonstrates the gender dynamics at play in Nigerian Pentecostalism by exploring the drama that played out in the wake of the nomination of the first woman Pentecostal archbishop in Nigeria and the subsequent attempt to erase her from a significant leadership position and the pages of history This case underscores how Pentecostalism which presents as egalitarian engages in and perpetuates gender disparity revealing the realities that are crashed every day This book further explores the profound ambiguities that result from an underlying commitment to patriarchy making the calls to inclusivity illogical In contrast she proposes the advantages of the Pentecost Experience as favorable background to gender inclusivity and in turn human flourishing **Prayer Works** Paul Eguridu, 2010-11-01 *Prayer Works* is an exciting combination of one man s journey and an exhaustive Old and New Testament study of approaching every life situation with prayer Pray with the Spirit at all times Use all kinds of prayers and

requests Be on guard Always pray for all the holy people Ephesians 6 18 PEB Prayer Works is an in depth look at prayer and the power it has to positively change your life today Based on the Three Principles of Prayer asking seeking and knocking you will learn about different types of prayer including the Prayer of authority Prayer of inquiry Prayer of faith Travailing prayer and others The real life modern day personal stories shared in each chapter set the stage for the truths revealed You will be inspired to pray and teach others the lessons in this book your influence will be felt throughout the church Religion and The Transformation of Capitalism Richard H.
