the books collected here form a vital reference resource across a wide subject area Vision in Japanese Entrepreneurship
H.T. Shimazaki,2018-10-26 The service sector occupies a dominant position in the Japanese economy yet few studies have
looked at the way the industry developed This book first published in 1992 focuses on the growth and development of a major
world security and communications corporation SECOM The success of the company has been rooted in the management
strategies of Makoto Iida who has shaped the company from a small localized business to an international industry at the
forefront of innovation The book first looks at the background of Makoto Iida offering an insight into the nature of an
entrepreneur and the issues this raises within the context of Japanese management styles It then follows the company
development stage by stage assessing the importance of individual creativity in adapting and implementing traditional
management techniques It shows how strategies for human resources service quality new technology globalization and
corporate restructuring evolve within the context of a growing organization and includes an analysis of the innovative
marketing techniques and product development processes needed to sell security services to one of the world s safest
