Photos from Enid Blyton's younger days      *The Subversive Harry Potter* Vandana Saxena, 2014-01-10 The seven books in J K Rowling's Harry Potter series bring together a variety of aspects of young adult fiction and portray youthful rebellion as well as cultural containment and an adolescent's negotiations through these conflicting forces This detailed study of Harry Potter explores the limits of the formulaic structure of adolescent fantasy fiction and also examines the impulse of exploration subversion and resistance contained within the formula Within both subversion and containment in the narrative young adult fantasy becomes an embodiment of the experience of adolescence its angst rebellion and also its journey of personal maturation      From Morality to Mayhem Julian Lovelock, 2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown's Rugby St Dominic's Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people *From Morality to Mayhem* charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children's literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane      Narrative Marcello Giovanelli, 2018-01-25 How does storytelling differ in poetry novels adverts and spoken conversations What narrative devices do writers such as Margaret Atwood Christopher Marlowe and Raymond Carver employ Written with input from the Cambridge English Corpus *Narrative* explores texts from a range of genres mediums and periods written for different audiences and purposes *Narrative* is an introduction to the ways we use language to tell stories It includes examples such as hard news stories children's narratives and messages on social media Using short activities to help explain analysis methods this book guides you through major modern issues and concepts back cover
