The Emotionally Strong Leader Carolyn Stern, 2022-10-04 The Emotionally Strong Leader offers those leading our workplaces organizations and institutions an opportunity to transform their leadership and their lives by learning to harness the power contained in recognizing and understanding their feelings For leaders managing their emotions and leading with a strong mind and a kind heart while using a set of clear simple and tested skills and strategies will enable them to connect more authentically and communicate more effectively with their colleagues and teams This kind of connection and communication creates an environment of trust and belonging that will spur engagement spike curiosity and engender fraternity in the workplace How does one get there By leading with emotional intelligence Unfortunately too many leaders choose another path one that eschews their emotions and those of their employees as bothersome and unimportant to the task at hand This limited and damaging viewpoint tends to make people feel as though they are simply task managing machines and not the terrific and complex individuals full of energy passion and unlimited potential that they are What we need are leaders who understand themselves from the inside out who know

why they do what they do and who use the information their feelings provide to help them make informed rational decisions especially when the stakes are high We need leaders who express humility engage in genuine and caring conversations with the people they lead and who aren't afraid to admit when they make a mistake We need executives who are both emotional and strong Author Carolyn Stern's six step self coaching model adapted from emotional intelligence courses she's developed for major universities and corporations across North America is backed by decades of field experience and top science on emotions and behavior Stern's model is the tool leaders need to uncover their barriers to growth and change set personal goals and tap into their motivation It will give them the means and drive to manage the hurdles life throws at them dramatically impacting their performance results and happiness Simply put The Emotionally Strong Leader will turn the way readers think about leading on its head
