*CISM Study Guide 2025-2026: All in One CISM Exam Prep for the Certified Information Security Manager Certification. Featuring Exam Review Material, 600 Practice Questions and Answers. UPDATED EDITION* Ezzekiël Scanton, 2025-01-07

*CISM Study Guide 2025-2026: All in One CISM Exam Prep Study Guide for the Certified Information Security Manager Certification. Featuring Exam Review Material, 650 Practice Questions and Answers* Dittany Gossamer, 2025-01-07

*Essential CISM* Phil Martin, 2018-03-29 Essential CISM has been written with a single goal in mind to present the CISM material in a way that is easy to absorb without leaving any content behind Plenty of examples are included to drive the points home so that when it comes time to take the CISM exam you are ready This exam guide covers all four ISACA domains including Information Security Governance Information Risk Management Information Security Program Development and Management Information Security Incident Management The book is broken down into two sections Section 1 covers basic concepts you will need to understand before hitting each domain The CISM official exam guide is overwhelmingly redundant across the domains and so in this book you will encounter each topic once instead of having to rehash the same subject in different and chaotic ways By the time you start covering the domains you will already be 60% of the way there Section 2 presents the four domains and ties together the concepts covered in Section 1 plus subjects that are unique to each domain Some books provide test questions embedded in the material but Essential CISM leaves that to the experts to keep the cost down There are plenty of online resources and tests you can take to test your knowledge that are a much better use of your time

*The CISM Prep Guide* Ronald L. Krutz, Russell Dean Vines, 2003-05-30 Prepares readers for the Certified Information Security Manager CISM exam ISACA's new certification that launches in June 2003 CISM is business oriented and intended for the individual who must manage design oversee and assess an enterprise's information security Essential reading for those who are cramming for this new test and need an authoritative study guide Many out of work IT professionals are seeking security management certification as a vehicle to re-employment CD ROM includes a Boson powered test engine with all the questions and answers from the book
