

The book cover features a collage of four images: a complex electronic circuit board with numerous components and wires in the top left; a space shuttle launching with a large plume of fire and smoke in the top right; a high-voltage electrical transmission tower against a blue sky in the middle right; and a person's hands typing on a keyboard in front of a computer monitor displaying a technical interface in the bottom right. A large, light-colored, curved shape overlaps the collage, serving as a background for the title and author's name.
