**Asian Comparative Constitutional Law, Volume 1** Ngoc Son Bui, Mara Malagodi, 2023-05-18 This is the first in

a 4 volume set that provides the definitive account of the major issues of comparative constitutional law in 19 Asian jurisdictions Volume 1 explores the process and contents in the making of a new constitution The book provides answers to questions on the causes processes substance and implantation involved in making new constitutions such as What are the political social and economic factors that drive the constitution making How are constitutions made and who makes them What are the substantive contents of constitution making What kinds of legislation are enacted to implement constitutions How do courts enforce constitutions The book considers the impact of decolonisation globalisation and social political dynamics which have led to the enactment of numerous independent constitutions in Asia including Vietnam 2013 Nepal 2015 and Thailand 2017 The jurisdictions covered include Bangladesh Cambodia China Hong Kong India Indonesia Japan Malaysia Mongolia Myanmar Nepal North Korea the Philippines Singapore South Korea Sri Lanka Taiwan Thailand and Vietnam An essential reference for those interested in Asian constitutional law The Weaponizing of Language in the Classroom and Beyond Kisha C. Bryan,Luis Javier Pentón Herrera,2023-12-04 In this edited volume language weaponization or the weaponization of language is used to describe the process in which words discourse and language in any form can be used to inflict harm on others The term harm is of vital importance because it refers to how specific groups of people are affected by ideologies and practices that normalize inequity and injustice in their environments The contributions in this book explore how language ideologies practices and policies can physically emotionally socially and or economically disadvantage or harm minoritized individuals as well as their cultures and languages Bangladesh - Culture Smart! Urmi Rahman,Culture Smart!,2014-12-01 Bangladesh is a young country with an ancient history Situated on the lush green and fertile land of the Ganges delta the country gained its independence from Pakistan in 1971 It is a land of writers saints scholars and artists famous for its music dance and drama folklore festivals and celebrations and its distinctive culinary tradition When you first arrive in Bangladesh you may be overwhelmed by the crowds the traffic jams the humidity and the lack of familiar facilities However your perspective will quickly change as you come to know its people Generosity honesty integrity and good humour are all traits common to this land Today 80 percent of the population live in rural areas and Bangladesh remains for the most part a very traditional society adhering to customs and norms that go back hundreds of years As such an understanding of Bangladeshi culture is critical Culture Smart Bangladesh will introduce you to the culture and the people beyond the stereotypes and headlines It offers clear advice on what to expect and how to behave in different social situations Whether you are a tourist or you are traveling on business it will equip you with the tools you need to make the most of your trip Welcome to Bangladesh Bangladeshe swagato **Religious Offences in Common Law Asia** Li-ann Thio,Jaclyn L Neo,2021-02-25 This book provides in depth comparative analysis of how religious penal clauses have been developed and employed within Asian common law states and the impact of such developments on constitutional rights By examining the theoretical and conceptual underpinnings of religious offences as well as interrogating the nature and impact

of religious penal clauses within the region it contributes to the broader dialogue in relation to religious penal clauses globally whether in countries which practise forms of secular or religious constitutionalism Asian practice is significant in this respect given the centrality of religion to social life and indeed in some jurisdictions to constitutional or national identity Providing rigorous studies of common law jurisdictions that have adopted similar provisions in their penal code the contributors provide an original examination and analysis of the use and development of these religious clauses in their respective jurisdictions They draw upon their insights into the background sociopolitical and constitutional contexts to consider how the inter relationship of religion and state may determine the rationale and scope of religious offences These country by country chapters inform the conceptual examination of religious views and sentiments as a basis for criminality and the forms of harm that attract legal safeguards Several chapters examine these questions from a historical and comparative perspective considering the underlying bases and scope as well as evolving objectives of these provisions Through these examinations the book critically interrogates the legacy of colonialism on the criminal law and constitutional practice of various Asian states
