Reflections on the International Association for Media and Communication Research Jörg Becker, Robin Mansell, 2023-04-29 Throughout its 65 year history the International Association for Media and Communication Research IAMCR has sought to facilitate international exchanges and research collaborations among academics and journalists in the field of media and communication Created during a time of strong ideological tension following World War II in 1957 and with the support of UNESCO the contributors to this edited collection highlight how the IAMCR and its members shaped the field of media and communications research From its beginnings focusing on the mass media including the press and journalism education today the Association attracts researchers and practitioners who undertake critical analysis of contemporary media and communications including online platforms and their governance Consistent themes throughout the Association's history have been its concern with human rights law culture and the political economy of the media and communication industries Not content simply to understand developments in the media and communications field around the world the Association's membership has sought to change

the world through its published research and its participation in global regional national and local policy debate and practice This volume is organised in four parts following an introduction authored by editors who are active members of IAMCR Part I highlights eight prominent scholarly traditions of research which have attracted the interest of scholars from around the world as well as the way the Association has sought to be inclusive of early career scholars Part II offers seven chapters which bring to light the political struggles of a membership seeking to engage in scholarship across the East West divide and to contribute to global debates aimed at fostering an inclusive fair and equitable international information and communication order through engagement with United Nations sponsored initiatives Part III turns to accounts of the way members from selected countries and regions have contributed to the Association s scholarly work The last part highlights the significant scholarly and institution building contributions of James Halloran IAMCR s President from 1972 to 1988 and other prominent contributors to the study of culture and the political economy of media and communications **Ethics,**

Ethnocentrism and Social Science Research Divya Sharma,2020-11-29 This book addresses the ethical and methodological issues that researchers face while conducting cross cultural social research With globalization and advanced means of communication and transportation many researchers conduct research in cross cultural multicultural and transnational settings Through a range of case studies and drawing on a range of disciplinary expertise this book addresses the ethics errors and ethnocentrism of conducting law and crime related research in settings where power differences as well as stereotypes may come into play Including chapters from scholars across cultures and settings including Greece Canada Vienna South Africa India and the United States this book provides an invaluable survey of the issues attending cross cultural social justice research today Engaging issues confronted by all cross cultural researchers this book will be invaluable to those working across the social sciences as well as professionals in criminal justice and social work Adhunik

Bharatacha Itihas BL Grover, It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times The book covers the entire gamut in a very unique style it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians with an integrated analysis This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations A history of modern India...
