*What Happy Teachers Do* Michelle Auton, 2024-08-06 Discover the simple three part self care system that will help you stay calm in class enjoy a good work life balance and keep doing the job you love It's a cliché but it's true

teaching is the best job in the world So why are more teachers leaving the profession than ever before Thanks to staff shortages accountability pressures and heavy workloads teachers are burning out fast This raises the question How do you stay happy and keep teaching Michelle Auton has the answer Drawing on both her own 20 years in the profession and the experiences of her many teacher friends Michelle has developed a three part system to help you not just survive but thrive in teaching In *What Happy Teachers Do* she takes you through these three principles 1 Self care You ll learn how to deal with the unique highs and lows of the teaching year and practice good self care every day 2 Mindfulness Michelle explains the neuroscience and benefits of mindfulness and details short mindful practices that can help you in times of stress overwhelm exhaustion or judgment 3 Tapping Tapping is an alternative treatment for physical pain and emotional distress and can help to restore balance to your body s energy Use these tapping aka Emotional Freedom Techniques EFT scripts in both your personal and teaching life such as when you re having difficulty sleeping preparing for a lesson observation or worried about an awkward conversation with a parent This book will help all teachers whether you re in your first or thirty first year of teaching to reduce stress prioritize self care and feel empowered This is what happy teachers do *Enlivenment* Andreas Weber,2019-03-05 A new understanding of the Anthropocene that is based on mutual transformation with nature rather than control over nature We have been told that we are living in the Anthropocene a geological era shaped by humans rather than by nature In *Enlivenment* German philosopher Andreas Weber presents an alternative understanding of our relationship with nature arguing not that humans control nature but that humans and nature exist in a commons of mutual transformation There is no nature human dualism he contends because the fundamental dimension of existence is shared in what he calls aliveness All subjectivity is intersubjectivity Self is self through other Seeing all beings in a common household of matter desire and imagination an economy of metabolic and economic transformation is enlivenment This perspective allows us to move beyond Enlightenment style thinking that strips material reality of any subjectivity To take this step Weber argues we need to supplant the concept of techn with the concept of poiesis as the element that brings forth reality In a world not divided into things and ideas culture and nature reality arises from the creation of relationships and continuous fertile transformations any thinking in terms of relationships comes about as a poetics The self is always a function of the whole the whole is equally a function of the individual Only this integrated freedom allows humanity to reconcile with the natural world This first English edition of *Enlivenment* has been expanded and updated from the German edition *Body Neutral* Jessi Kneeland,2023-06-06 A life changing guide to reclaiming your relationship with your body and yourself Have you ever thought that if only you could change the way you looked your life would be better It s so easy to imagine that by changing the outside of our bodies we d feel better on the inside But we all know that even if we could magically attain a so called perfect body our problems wouldn t actually be solved That s because body image issues are never just about the body they re always about something deeper inside As a longtime personal trainer and coach Jessi Kneeland has seen hundreds of

clients achieve their fitness goals but still feel trapped in a web of body hatred anxiety obsession and dysmorphia Searching for a solution Kneeland set out on a quest to discover what it truly takes to help people understand process and heal their body image issues for good They share their discoveries in Body Neutral where you ll learn The power of body neutrality the ability to accept and respect your body even if it isn t the way you d prefer it to be Which of the four body image avatars each of which represents a different root cause for body image issues aligns with you and your relationship with your body the self objectifier the high achiever the outsider or the runner Actionable and unique methods to help you strip away the layers of false meaning excess power moral significance and shame that has been preventing you from both connecting to and appreciating your body and feeling truly worthy as a person There is a reason you re unhappy with your body and Body Neutral will help you discover what that reason is and how to defuse its power freeing you to enjoy a life of true confidence security and satisfaction
