Fan Phenomena: Game of Thrones Kavita Mudan Finn,2017-05-01 Winter is coming Every Sunday night millions of fans gather around their televisions to take in the spectacle that is a new episode of Game of Thrones Much is made of who will be gruesomely murdered each week on the hit show though sometimes the question really is who won t die a fiery death The show based on the Song of Ice and Fire series written by George R R Martin is a truly global phenomenon With the seventh season of the HBO series in production Game of Thrones has been nominated for multiple awards its cast has been catapulted to celebrity and references to it proliferate throughout popular culture Often positioned as the grittier antithesis to J R R Tolkien s Lord of the Rings Martin s narrative focuses on the darker side of chivalry and heroism stripping away these higher ideals to reveal the greed amorality and lust for power underpinning them Fan Phenomena Game of Thrones is an exciting new addition to the Intellect series bringing together academics and fans of Martin s universe to consider not just the content of the books and HBO series but fan responses to both From trivia nights dedicated to minutiae to forums speculating on plot twists to academics trying to make sense of the bizarre climate of Westeros everyone is talking about Game of Thrones Edited by Kavita Mudan Finn the book focuses on the communities created by the books and television series and how these communities envision themselves as consumers critics and even creators of fanworks in a wide variety of media including fiction art fancasting and cosplay

Cinematic Digital Television Chris Comerford,2022-12-20 Chris Comerford explores cinematic digital television as an artistic classification and an academic object of study and illuminates the slippage in definitions of previously understood media forms The growth of television as an artistic informative medium has given rise to shifts in the aesthetic style of the programmes we watch and this book outlines these shifts along with the contemporary debates and critical theory surrounding them Comerford looks at

the forms and aesthetics of television the production standards influencing streaming television and the agency of audiences and provides case studies of key TV shows illustrating these shifts including Twin Peaks The Return WandaVision Hacks and Russian Doll Navigating the levels of production and reception in cinematic digital television the book uses film inspired TV as a lightning rod for understanding our narrative screen media landscape and the classifications we use to negotiate it As an essential reading for both scholars and students of media and television studies this book provides a much needed consideration of the changing landscape of television *Dwarfism Arts and Advocacy* Erin Pritchard,2024-10-29 Disputing derogatory representations of dwarfism this book opens up a new avenue for disability studies encouraging advocacy and challenging able bodied readers to re examine their perceptions of this community [Shakespeare and Game of Thrones](#) Jeffrey R. Wilson,2020-11-29 It is widely acknowledged that the hit franchise Game of Thrones is based on the Wars of the Roses a bloody fifteenth century civil war between feuding English families In this book Jeffrey R Wilson shows how that connection was mediated by Shakespeare and how a knowledge of the Shakespearean context enriches our understanding of the literary elements of Game of Thrones On the one hand Shakespeare influenced Game of Thrones indirectly because his history plays significantly shaped the way the Wars of the Roses are now remembered including the modern histories and historical fictions George R R Martin drew upon On the other Game of Thrones also responds to Shakespeare s first tetralogy directly by adapting several of its literary strategies such as shifting perspectives mixed genres and metatheater and tropes including the stigmatized protagonist and the prince who was promised Presenting new interviews with the Game of Thrones cast and comparing contextual circumstances of composition such as collaborative authorship and political currents this book also lodges a series of provocations about writing and acting for the stage in the Elizabethan age and for the screen in the twenty first century An essential read for fans of the franchise as well as students and academics looking at Shakespeare and Renaissance literature in the context of modern media **Animation in Austria** Florian Schmidlechner,2025-05-23 This book provides a comprehensive account of Austrian animation history as well as an analysis of the current state of the industry in competition with American and cheaper international products in the face of dwindling budgets The book outlines the history of Austrian animated film from the actual beginnings at the time of the First World War It looks at the reconstruction of the animation industry during the 1950s and 60s and covers experimental animation from the 1970s onwards The final part of the book explores modern Austrian animation and looks ahead to the future of animation production within the country This book will be of great interest to academics students and professionals working and researching in the field of animation **“A Hero Will Endure”: Essays at the Twentieth Anniversary of 'Gladiator'** Rachel L. Carazo,2023-05-16 This volume adds to previous historical and political studies about Gladiator with essays about the movie s relation to pop culture and contemporary discourses It not only relates Gladiator to traditional cinema aspects such as heroism music acting studio culture and visual effects but it also connects the film to sports religion and the

environment expanding the ways in which the film can be evaluated by modern audiences The volume can be read by individuals or in classroom settings especially as a recommended text for students studying the ancient world in film

The Television Genre Book Glen Creeber, 2023-11-30 In this new edition of The Television Genre Book leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul's Drag Race this book offers a comprehensive understanding of television genre for scholars and students alike

Space 1999 and Science Fiction Prototyping Petter Ogland, 2018-06-25 With the first online discussions of SPACE 1999 starting in January 1993 this book celebrates the 25th anniversary of Online Alpha It is edited and told from the perspective of trying to present different types of discussions over the years by focusing on humour insight surprise and shared community There is also a focus on how the discussions have changed and how they continue to change The book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com

Telecinematic Stylistics Christian Hoffmann, Monika Kirner-Ludwig, 2020-05-14 Over the last two decades the study of discourse in film and television has become one of the most promising research avenues in stylistics and pragmatics due to the dazzling variety of source material and the huge pragmatic range within it Meanwhile with the advent of streaming and the box set film and television themselves are becoming separated by an increasingly blurred line This volume closes a long standing gap in stylistics research bringing together a book level pragmastylistic showcase It presents current developments from the field from two complementary perspectives looking stylistically at the discourse in film and the discourse of and around film This latter phrase comes to mean the approaches which try to account for the pragmatic effects induced by cinematography This might be the camera work or the lighting or the mise en scene or montage The volume takes a multimodal approach looking at word movement and gesture in keeping with modern stylistics The volume shows how pragmatic themes and methods are adapted and applied to films including speech acts im politeness implicature and context In this way it provides systematic insights into how meanings are displayed enhanced suppressed and negotiated in both film and televisual arts

Reading Joss Whedon Rhonda V. Wilcox, Tanya R. Cochran, Cynthia Masson, David Lavery, 2014-05-16 In an age when geek chic has come to define mainstream pop culture few writers and producers inspire more admiration and response than Joss Whedon From Buffy the Vampire Slayer to Much Ado About Nothing from Dr Horrible's Sing Along Blog to The Avengers the works of Whedon have been the focus of increasing academic attention This collection of articles represents some of the best work covering a wide array of topics that clarify

Whedon's importance including considerations of narrative and visual techniques myth construction symbolism gender heroism and the business side of television The editors argue that Whedon's work is of both social and aesthetic significance that he creates canonical television He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable From the focus on a single episode to the exploration of an entire season from the discussion of a particular narrative technique to a recounting of the history of Whedon studies this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a course on his works *Movies and the Church of Baseball* Jonathan Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema from *The Busher* 1919 to *Angels in the Outfield* 1994 and present day movies This book examines *The Natural* *Field of Dreams* *Bull Durham* and other films exploring the frequency of Christian imagery and themes in the American baseball movie From Babe Ruth's performance of a miracle to help a disabled boy walk again in *The Babe* Ruth Story to Shoeless Joe Jackson's question to Ray Kinsella Is this heaven in *Field of Dreams* Christian themes and American baseball film are inextricably linked This discussion encompasses symbolic imagery in mainstream film Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before *The Fall* [#MeToo TV](#) Ralph Beliveau, Lisa Funnell, 2025-02-28 The MeToo movement has heightened awareness about the prevalence of sexual violence across professional public and private spheres Since the movement began many individuals have bravely stepped forward to share their experiences within media industries that historically protected predators while silencing survivors Television and streaming content also conveys messages about gender sex consent and power that influences public consciousness These portrayals of sexual violence warrant re-examination from the perspective of the MeToo movement This essay collection explores sexual violence within television and streaming media building on the previous work *Screening MeToo Rape Culture in Hollywood* SUNY Press 2022 The current anthology features essays covering a diverse range of genres from documentary and true crime to drama and comedy across various platforms including network television and streaming services The contributing authors analyze representational tropes through an intersectional perspective and examine how trauma memory romance and fantasy intersect the narratives presented Prompting further exploration from readers these perspectives serve as a foundation for discussing rape culture in American television and streaming *Translation and Music* Sebnem Susam-Sarajeva, 2016-04-08 Popular and multimodal forms of cultural products are becoming increasingly visible within translation studies research Interest in translation and music however has so far been relatively limited mainly because translation of musical material has been considered somewhat outside the limits of translation studies as traditionally conceived Difficulties associated with issues such as the musicality of lyrics the fuzzy boundaries between translation adaptation and rewriting and the pervasiveness of covert or unacknowledged translations of musical elements in a variety of settings have generally limited the research in this area to overt and

canonized translations such as those done for the opera Yet the intersection of translation and music can be a fascinating field to explore and one which can enrich our understanding of what translation is and how it relates to other forms of expression This special issue is an attempt to open up the field of translation and music to a wider audience within translation studies and to an extent within musicology and cultural studies The volume includes contributions from a wide range of musical genres and languages from those that investigate translation and code switching in North African rap and rai and the intertextual and intersemiotic translations revolving around Mahler's lieder in Chinese to the appropriation and after life of Kurdish folk songs in Turkish and the emergence of rock n roll in Russian Other papers examine the reception of Anglo American stage musicals and musical films in Italy and Spain the concept of singability with examples from Scandinavian languages and the French dubbing of musical episodes of TV series The volume also offers an annotated bibliography on opera translation and a general bibliography on translation and music

Dramatic Storytelling & Narrative Design Ross Berger, 2019-08-29 This book describes narrative design's role in game development provide examples of its practical usage delve into the day to day expectations and assess its quality in 5 popular games Additionally it will discuss the influence of transmedia storytelling in today's games and how its impact continues to grow Today's IP transcends a single medium Accordingly creating its story across various media outlets is necessary to meet the high demands of millennial and GenZ consumers Game narrative is often the centerpiece of these transmedia extensions

The Internet David Pogue, J. D. Biersdorfer, 2006 A guide to the Internet covers such topics as broadband connections searching the Web online shopping games and gambling sites trip planning email instant messaging blogs and downloading songs and videos

Queer Representation, Visibility, and Race in American Film and Television Melanie Kohnen, 2015-11-06 This book traces the uneven history of queer media visibility through crucial turning points including the Hollywood Production Code era the AIDS crisis of the 1980s the so called explosion of gay visibility on television during the 1990s and the re imagination of queer representations on TV after the events of 9 11 Kohnen intervenes in previous academic and popular accounts that paint the increase in queer visibility over the past four decades as a largely progressive development She examines how and why a limited and limiting concept of queer visibility structured around white gay and lesbian characters in committed relationships has become the embodiment of progressive LGBT media representations She also investigates queer visibility across film TV and print media and highlights previously unexplored connections such as the lingering traces of classical Hollywood cinema's queer tropes in the X Men franchise Across all chapters narratives and arguments emerge that demonstrate how queer visibility shapes and reflects not only media representations but the real and imagined geographies histories and people of the American nation

Intimacy Directing for Theatre Dr. Ayshia Mackie-Stephenson, 2023-08-22 Intimacy Directing for Theatre provides much needed strategies on how teachers and artists can do intimacy work in the classroom and rehearsal room that is safe and just This book puts forth intimacy work that is based on human rights and consent for everyone fully

integrating justice with intimacy directing It offers practical advice on how instructors can do intimacy work in their courses and productions that is based on consent and racial and gender justice Each chapter is written by an instructor and professional practitioner who offers their perspective and experience on how to cultivate a space that is safe and intersectional as well as respectful of students race gender sexual orientation and other integral modes of identity Chapters contain low stakes exercises that help to keep the rehearsal room safe consensual and inclusive Intimacy Directing for Theatre is an excellent resource for Theatre Performance instructors and practitioners who want to create and sustain a culture of consent in their classrooms and rehearsal rooms **Television and Serial Adaptation** Shannon

Wells-Lassagne,2017-01-20 As American television continues to garner considerable esteem rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives one aspect of its development has been relatively unexamined While film has long acknowledged its tendency to adapt an ability that contributed to its status as narrative art capable of translating canonical texts onto the screen television adaptations have seemingly been relegated to the miniseries or classic serial From remakes and reboots to transmedia storytelling loose adaptations or adaptations which last but a single episode the recycling of pre existing narrative is a practice that is just as common in television as in film and this text seeks to rectify that oversight examining series from M A S H to Game of Thrones Pride and Prejudice to Castle *Billboard* ,2000-12-30 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
