# GENERAL CHEMISTRY

*The Essential Concepts*

A detailed illustration on a dark background showing several molecular models. In the center, a molecule with two large purple spheres connected by a thick, light-colored rod is shown. A green arrow curves upwards from this molecule towards a larger, more complex molecule in the upper right. Other smaller molecules, some with two purple spheres and others with a single purple sphere, are scattered around. A bright green beam of light originates from the bottom left corner and points towards the central molecule.
