**Making Meaning in Popular Song** Theodore Gracyk, 2022-06-16 Winner ASA American Society for Aesthetics 2023 Outstanding Monograph Prize For Theodore Gracyk meaning in popular music depends as much on the context of reception and performer s intentions as on established musical and semantic practices Songs are structures that serve as the scaffolding for meaning production influenced by the performance decisions of the performer and their intentions Arguing against prevailing theories of meaning that ignore the power of the performance Gracyk champions the contextual relevance of the performer as well as novel messaging through creative repurposing of recordings Extending the philosophical insight that meaning is a function of use Gracyk explains how both the performance persona and the personal life of a song s performer can contribute to or undercut ethical and political aspects of a performance or recording Using Carly Simon s You re So Vain Pink Floyd the emergence of the musical genre of post punk and the practice of cover versions Gracyk explores the multiple sometimes contradictory notions of authenticity applied to popular music and the conditions for meaningful communication He places popular music

within larger cultural contexts and examines how assigning a performance or recording to one music genre rather than another has implications for what it communicates Informed by a mix of philosophy of art and philosophy of language Gracyk's entertaining study of popular music constructs a theoretical basis for a philosophy of meaning for songs
