An American Affair Mark Brazaitis, 2022-06-21. The dozen short stories of *An American Affair* give us back a clear and accurate reflection of our own world here and now. Linked together by geographical setting and the clash of contemporary culture, they challenge our easy assumptions with complexity. The characters are wholly credible and fully dimensional. The stories they tell are moving and memorable. This is short fiction at its best and brightest. George Garrett, final judge. While the stories in *An American Affair* are united by various connections between Americans and Latin Americans, there is much more going on here besides culture clashes. These stories explore the complexities beneath our everyday lives, no matter where we live or have lived, no matter who we love or have loved. Mark Brazaitis inhabits a wide range of characters who want something more, who have to cope with dashed expectations, with time and memory's betrayals. It is hard to lie in a foreign language, Brazaitis writes. These rich, evocative stories deal with the nuances of truth and the inadequacy of language to express or even find truth, even when lying is made more difficult. Jim Daniels, author of *Detroit Tales*.

Volunteering As Leisure/leisure As Volunteering Robert A. Stebbins, Margaret Graham, 2004-04-07. Volunteerism is a topic of increasing importance in this age of budget cuts, declining employment, and amid the threat posed by other competing leisure pursuits. There are both social and economic benefits of volunteering. As we are becoming more reliant on volunteers, there is a need for a better understanding of why people take up volunteering and how to recruit, manage, motivate, and support volunteers most effectively. In order for organizations that host volunteers to achieve the most from their volunteers, they must understand how to give them the best leisure experience. This book examines critical aspects of contemporary volunteerism from the perspective of a variety of volunteering contexts. It will appeal to academic researchers and students in disciplines such as

leisure recreation tourism management and sociology as well as practitioners in the voluntary sector including volunteers National and Local Government and those organising special events that depend on voluntary support Princeton Alumni Weekly ,1999 **Congressional Record** United States.
