of ritual Rituals of devotion and Vedic sacrifice as well as contributions which address the broader theoretical issues of engaging in the study of ritual texts and ritual practice both from the etic and the emic perspective These studies show that any study of the relationship between the text and the context of rituals must also allow for the possibility that different categories of performers can and do subjectively constitute the relationship between their ritual knowledge and ritual practice between text and context in differing and nuanced ways

Wallace, Many years ago there lived in an ancient castle in England a proud Baron who had one child Ginevra a little girl named for her mother who died the night her baby was born The servants used to say the Baroness had led a wretched life that her lord was harsh and stern at home as he was fierce and cruel in war but this I do not truly know He dearly loved his little daughter and hours at a time would carry her in his arms and walk up and down the hall before the blazing fires in winter It was a fair sight to see the Baron with the baby in her long white dress lying on his shoulder her light hair against his rough beard or to see him dandle her in his hand hard almost as the steel gloves he wore to battle as if she were no more than a feather s weight The castle was gloomy and strong with towers guarded by sentinels and was enclosed by a high wall of stone beyond which was a deep moat filled with water that could be crossed by only one drawbridge Once when there was war in the land the King called on all good men for help and the Baron ready for battle gathered his people in the courtyard to hear his last orders He held up his sword dinted by many a blow in bloody fight showed the cross on its hilt and spoke in a loud voice Swear by this blessed sign whatever befall you will defend Lady Ginevra to the death And every man lifted his right hand knelt where he stood and swore by the Holy Cross he would defend the Lady Ginevra to the death He then mounted his coal black steed took the baby from her nurse and lifted her in sight of all the crowd She clapped her hands and laughed to see the flashing armor and flags embroidered with red roses and the air rung with the shout Long live the Lady Ginevra Prapañcasara Tantra Louise M. Finn,2017-08-02 The book is a translation of an ancient previously untranslated Indian Hindu Tantrik religious text It is an important text in the field of Tantrik Hinduism and may have been written around the end of the first millennium It is written in Sanskrit which is Indias classical dead language and a sister language to classical Greek Latin and Avestan There is a strong metaphysical content but the text is also concerned with the worship and rituals of many of Indias gods and goddesses
