Ajami, G. Jason Goddard, 2017-10-12 Globalization has been under extreme pressure in the wake of the financial crisis Multinational firms are weighing the costs and benefits of international scale and scope and are increasingly under pressure to hire local to source local and to pay taxes domestically At the same time global competitive pressures have intensified This book reviews international business practices from the multinational firm perspective and provides pathways forward concerning competitiveness and sustainability in global markets What sets this book apart from others is that the benefits and pitfalls of globalization are addressed Chapter coverage focuses on the functional areas of the business and how they are impacted by international expansion Practical case studies supplement chapter coverage and highlight both positive and negative developments in the global business arena Readers should expect to be challenged on what will be the limits of the multinational firm in the future and how multinational firms can continue to prosper while at the same time adhere to sustainable business initiatives

Equally useful to both undergraduate and graduate students of international business as well as professional development programs *Global Business Competitiveness and Sustainability* provides a necessary tonic for dealing with today's troubled seas of globalization Jainism and Ethical Finance Atul Shah, Aidan Rankin, 2017-04-07 The financial crisis of 2008 has led to a re-evaluation of the role of financial institutions and their relationship with the wider economy and society This process has meant an increased questioning of both the conduct of business itself and the principles behind commercial and financial activities Yet non-western voices have been notably absent from this debate as have alternatives to the dominant western derived economic ideologies From the ancient spiritual wisdom or Dharma of the Jains there emerges a practical modern philosophy fully in tune with the re-emergence of India as a global economic power Jain individuals businesses and charities have played a powerful role in India's rise and within the global Indian Diaspora Jain communities are noted everywhere for their contributions to business the professions and science These successes are based on the principles of interdependence and co-operation with an emphasis on long term consolidation rather than short term bursts of growth Researchers and students interested in the ethics of finance accounting and economics will find *Jainism and Ethical Finance* a scholarly and illuminating evaluation of Jain Dharma as a non-western case study In the light of current concerns about the way global finance and banking systems operate this book offers a timely alternative perspective *Financial Behavior* H. Kent Baker, Greg Filbeck, Victor Ricciardi, 2017-05-02 *Financial Behavior* Players Services Products and Markets provides a synthesis of the theoretical and empirical literature on the financial behavior of major stakeholders financial services investment products and financial markets The book offers a different way of looking at financial and emotional well-being and processing beliefs emotions and behaviors related to money The book provides important insights about cognitive and emotional biases that influence various financial decision makers services products and markets With diverse concepts and topics the book brings together noted scholars and practitioners so readers can gain an in-depth understanding about this topic from experts from around the world In today's financial setting the discipline of behavioral finance is an ever-changing area that continues to evolve at a rapid pace This book takes readers through the core topics and issues as well as the latest trends cutting edge research developments and real world situations Additionally discussion of research on various cognitive and emotional issues is covered throughout the book Thus this volume covers a breadth of content from theoretical to practical while attempting to offer a useful balance of detailed and user-friendly coverage Those interested in a broad survey will benefit as will those searching for more in-depth presentations of specific areas within this field of study As the seventh book in the Financial Markets and Investment Series *Financial Behavior* Players Services Products and Markets offers a fresh look at the fascinating area of financial behavior **Managing Risk and Decision Making in Times of Economic Distress** Simon Grima, Ercan Özen, Inna Romānova, 2022-03-01 *Managing Risk and Decision Making in Times of Economic Distress* adds much needed scholarly analysis of the fledgling decision control approach arguing the merits of its empirical

content to shed light on the structure of capital contracts and rationale for diversity of objectives **Business Information**
