sons includes in depth interviews with sources close to her On October 25 1994 a hysterical Susan Smith told police a tale that would strike terror in the hearts of mothers everywhere An unidentified gunman had sped off with her two little boys leaving her screaming on the side of the road For more than a week the people in the tiny town of Union South Carolina rallied around the young mother They combed the woods and neighborhood parks for the missing children and prayed for their safe return while FBI teams launched a massive manhunt No one ever suspected that the pretty twenty three year old who tearfully pleaded for her children in front of millions of TV viewers could be capable of such a heartless act until she led police to the watery graves of her young sons Join the shaken community s journey of grappling with their sorrow anger and confusion *Sins of the Mother* is more than a crime story it s an exploration of human frailty and the dark side of maternal love
