**Abstract:** The hotels have become second home for leisure travelers and second office for business travelers. With rising acts of terrorism on board, the tourists and travelers have become skeptical about security issues within the hotel premises and often safety quotient of the property. The current issue looks into the safety-security issues haunting the thought process of guests and the modern options and approach that hotels have to gain the confidence of their guests.

**Keywords:** hotels, terrorism, safety, security, guests.

## I. BACKGROUND

Hospitality means providing service to others, as well as demonstrating consistent excellence and quality. It should also mean profitably providing value at any price level, while demonstrating your own unique points of distinction. Most of all, hospitality should be a "place", where people can still be exceptional individuals and they can extend their own personality and style (Hogan, 2008). The hospitality industry is part of a huge group of companies known as travel and tourism industry, which provides the necessary or desirable goods and services to travelers. The hospitality and tourism industries are the largest and fastest-growing industries in the world (Walker, 2010).

Frequent terrorism incidents, natural disasters like Asian tsunami, hurricane and forest fire warn hospitality supplier's and buyer's to be prepared for just any imaginable crisis. Security is not limited to only a single aspect it is been classified into various types even Enz and Taylor (2002) stated that safety involves preventing employees and customers within the hotel property from potential death and injury, such as from accidental slips, falls, cuts, burns and so forth, as well as preventing related property damage. To improve safety, many hotel companies have installed electronic locks, fire sprinklers, smoke detectors, and closed circuit televisions (Okumus, 2005).

### TYPES OF SECURITY:

- 1) Physical aspect
- 2) Security of persons
- 3) Security of systems

#### 1. Physical aspect is divided into two parts Internal security and external security

**Internal Security** is against theft, Fire safety, Proper lighting, Safeguarding assets and Track unwanted guests.

**External Security** includes Proper lighting outside the building, proper fencing of the building, fencing of pool area to avoid accidents in the night, Manning of service gates to restrict entry and fixing of closed circuit TV cameras.

#### 2. Security aspects in a property includes

##### a) Staff

Effective recruitment and selection, Identification of staff, Key control, Red tag system, Training and Locker inspection

b) The guest who needs to work out for protection of hazard is like:
