The Report: Saudi Arabia 2014 Oxford Business Group, 2014-08-18 Home to an estimated 15.9% of the world's proven oil reserves Saudi Arabia is the single largest economy in the Middle East and North Africa According to the Ministry of Finance real GDP grew by 3.8% to 746bn in 2013 While oil income is expected to continue to account for the majority of government revenues for the foreseeable future the non oil sector has expanded significantly in recent decades growing 9.3% in 2013 Indeed while some Western countries may be seeing a return to cautious optimism and leading emerging economies are weighing the potential impact on capital flows of tapering in the US Federal Reserve's quantitative easing programme Saudi Arabia is seeing sustained growth buoyed by high global oil prices and internal investment in its own infrastructure Some 15 years after Saudi Arabia attended the inaugural meeting of G20 countries its key economic indicators make it the envy of many other member states Given the size of Saudi economy within the regional and indeed global market OBG looks in depth at bilateral trade between ASEAN nations and the GCC

The Report: Abu Dhabi 2019 Oliver Cornock, Abu Dhabi is the largest of the seven emirates that comprise the UAE in terms of both its land mass and economy and home to the majority of the country's energy production and reserves While the emirate is home to the world's sixth largest proven oil reserves financial buffers have helped it diversify and yield steady non oil revenues

The Routledge Companion to International Hospitality Management Marco A. Gardini, Michael C. Ottenbacher, Markus Schuckert, 2020-11-09 The hospitality sector is facing increasing competition and complexity over recent decades in its development towards a global industry The strategic response to this is still that hospitality companies try to grow outside their traditional territories and domestic markets while the expansion patterns and M A activities of international hotel and restaurant chains reflect this phenomenon Yet interestingly the strategies concepts and methods of internationalization as well as the managerial and organizational challenges and impacts of globalizing the hospitality business are under researched in this industry While the mainstream research on international management offers an abundance of information and knowledge on topics players trends concepts frameworks or methodologies its ability to produce viable insights for the hospitality industry is limited as the mainstream research is taking place outside of the service sector Specific research directions and related cases like the international dimensions of strategy organization marketing sales staffing control culture and others to the hospitality industry are rarely identifiable so far The core rationale of this book is therefore to present newest insights from research and industry in the field of international hospitality drawing together recent scientific knowledge and state of the art expertise to suggest directions for future work It is designed to raise awareness on the international factors influencing the strategy and performance of hospitality organizations while analyzing and discussing the present and future challenges for hospitality firms going or being international This book will provide a comprehensive overview and deeper understanding of trends and issues to researchers practitioners and students by showing how to master current and future challenges when entering and

competing in the global hospitality industry **The Report: Saudi Arabia 2018** , Key initiatives include a privatisation programme which would see the divestment of a number of state owned giants such as the partial listing of Aramco the creation of the world s largest sovereign wealth fund and the increased participation of women in the job market The Kingdom has played a key role too on the international stage in 2017 becoming the first country to host President Trump a visit which resulted in renewed trade and investment commitments on both sides Meanwhile the country s importance as a trading hub continues to grow thanks to both the various infrastructural upgrades that are taking place to its ports and airports as well as its geographical advantage as a connector of three continents and its proximity to the Red Sea through which 10% of world trade travels *EuroProperty* ,2000 **The Report: Dubai 2014** Oxford Business Group,2014-01-28 In many respects 2014 marked the transition from strong recovery to promising growth for Dubai With many exciting projects in the pipeline not least the hosting of Expo 2020 the emirate is continuing to build on its reputation as a dynamic and international centre for business Already a regional and global centre for business and finance Dubai s reputation has been bolstered by the MSCI s decision to upgrade the UAE from frontier to emerging market status in 2014 while the emirate s successful Expo 2020 bid is expected to generate myriad opportunities for private investors across a range of sectors Construction is thriving once again driven in large part by strong retail sector growth with various projects including plans for the world s largest mall indicating that the sector will maintain its position as the emirate s biggest GDP contributor moving forward The transport and logistics framework is set for major expansion in the coming years as well furthering cementing the emirate s status as a leading transport and logistics hub not just regionally but globally too The continued development of Dubai s retail and hospitality offerings alongside the upgrades to its airports should help to ensure robust growth in visitor numbers from both the region and further afield The Report: South Africa 2014 Oxford Business Group,2014-12-08 Indeed since the end of apartheid in 1994 South Africa has become a major diplomatic player both on the African continent as well as further afield Despite the size of South Africa s economy the country currently faces a number of major economic challenges As of the end of July 2014 the unemployment rate was at 25.5% according to data from Statistics South Africa which was among the highest in the world While the government s long term development plans are generally highly regarded delivery and execution has occasionally been problematic While there are major hurdles that must be cleared given the country s strong institutions and the rapid pace of economic expansion over the past two decades South Africa should be able to look forward to 20 more years of peace and steady sustained economic growth **Sector Insights: Real Estate in Portugal** , What is the state of real estate in Portugal A decade ago the country put in place attractive fiscal advantages like the Golden Visa and non habitual residency agreements to attract foreign cash This enhanced an investment proposal that was already tricky to match within Europe A warm climate European capital with an oceanfront offers an unbeatable lifestyle package Other incentives also drove the Portugal brand as a market and in conjunction as a tourist

destination But in 2023 government rhetoric began to stir with programs like Ant nio Costa s Mais Habita o a program to increase access to affordable homes in the wake of soaring real estate prices The program has met with fierce criticism however as has the canceling of the Golden Visa program It is against this backdrop that research for this 50 page Sector Insights report began It features a range of interviews news articles and analysis from across the real estate and construction sector

Lonely in the Crowd: Plugged or Remote? Tobia Zevi,2025-06-20 The Covid 19 pandemic forced cities to shut down and citizens to stay home disrupting economic activity and social life The crisis pushed companies to adopt remote work transforming it from a niche practice to a widespread norm altering the balance between work and personal life This shift created inequalities across sectors and influenced the ability of global cities to attract talent in a globalized labor market Now as the pandemic has receded many companies are reversing course This Report explores how remote work has impacted cities and citizens from mobility to urban planning How can remote work reshape global cities What strategies are available to local authorities Is remote work still the future
