A New Vision for Early Childhood Noah Hichenberg, 2024-12-23 This innovative and thought provoking book invites you to move away from strategies of control and toward relationships of trust with young children This book presents the conceptual foundation for this re framed relationship as well as pragmatic takeaways for parents and teachers of preschool aged children The book offers a concise critical history of early childhood which is then laid against the author's ethnographic research into the daily life of one 2 year old This unique and refreshing perspective offers intimate insight into the tension between the adult's desire for control and the child's capacity for resistance The author argues that when the adult child relationship is defined by control the child is faced with the same choice on repeat submit or resist Taking action in accordance with personal wants and needs typically requires transgressing adult

expectations For the child in today's hyper surveilled childhood to speak up is to resist Moving these ideas from research and theory back into preschools and homes A New Vision for Early Childhood is important reading for any preschool teacher leader or parent who wants to reconsider their relationship with children We can become allies instead of sheriffs working with children instead of against them *Potty Train Your Child in Just One Day* Teri Crane,2006-06-06 Finally a fun easy to use guide to potty training any child in just ONE DAY Just think from the time babies are born until they are toilet trained they use an average of 4 000 diapers Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child Teri guides parents to the successful one day potty training of their child by teaching them how to Look for the signs that your child is ready to be potty trained Make the potty connection by using a potty training doll Create incentive through consistent positive reinforcement Use charts quizzes and checklists to help with every step of potty training Know when it's time to bring in a potty pinch hitter Complete your potty training no more accidents Once Teri teaches you her techniques she shares her secret potty parties She has carefully designed twelve imaginative themes for parties such as a seriously silly circus a cartoon character carnival or a magic carpet express and supplies parents with everything they will need Teri has proven that a potty party day engages a child in potty training in a way that no other method has before by speaking a toddler's language A party may translate to fun games cake candy presents and prizes to a child but with Teri's expertise parents can use it as a tool to motivate their child to want to go to the bathroom and to keep on going That's why it works in just one day **Questioning the Heiress** Delores Fossen,2008-07-01 It was just a day's work for Texas Ranger Egan Caldwell Except this time the victim of the crime was rich beautiful heiress Caroline Stallings Egan and Caroline couldn't be more different she was upper crust he was a lawman Yet this woman stirred feelings in him that refused to be ignored Problem was Caroline's memory had gone the way of Egan's willpower and her amnesia had attracted a killer Ensuring her safety was something he took very seriously But giving in to their distracting combustible attraction was the only chance Egan had of uncovering the secrets hidden in Caroline's mind before someone else did

Thought Process Paul Quintavalle,2008-09-16 Jamie Donnelly is a high school junior who leads a carefree idyllic life in suburban Southern New Jersey He has skipped through life relying on his quick wit good looks and natural intelligence His life changes suddenly when he suffers a cerebral aneurysm and then becomes the first person in the world to have revolutionary technology surgically implanted Jamie faces his ultimate challenge when he is forced to take on a powerful group of people including a presidential candidate who see the technology as a way to dominate US politics and business A diverse group of friends bring their individual talents to help Jamie as he is running for his life trying to solve the mystery of who is behind the conspiracy His ordeal forces him to grow from an immature teen to a resourceful responsible man who not only learns more about himself but gains a deeper appreciation of the people around him Antipodes Michele
