When I Met Myself... Angela Nichols, 2010-10-06 Poems I have written to help work through my emotional life

I really met myself through studying my heart Kyung-ha Woo, 2024-05-04 here was a time when the happiness we wanted felt far away Happiness didn't seem to have anything to do with me I desperately wanted real happiness not just happiness One of the many mysteries of our lives is that thoughts and beliefs create and make many things into reality This is the law of attraction and means that we are super strong magnets I didn't know it was hard and thanks to the experience that I wasn't happy I started studying my mind and in the process I met my true self and learned my preciousness and value Thanks to this I am now the person who conveys that message to the world A lot of what happened to me is just mysterious and grateful I think and believe that everything that happens to us has a reason and meaning Realization and wisdom through our experience and learning always help someone in need I hope that my stories and messages will be a light in the dark for those who really want to be me and have a happy and free life
