## **How The Whale Became And Other Stories:**

**How the Whale Became** Ted Hughes,1963 Ted Hughes the great poet laureate of England created these delightfully mischievous and magical tales to explain to his children the nature of some of the most admirable and laughable beasts

*How the Whale Became* Ted Hughes,2011 Long ago when the world was brand new the sun rose into the sky and brought the first day Then from every side from under leaves and from behind rocks creatures began to appear To begin with all the creatures were rather alike they had no idea what they were going to become Some wanted to become lions so they practised being lions But other creatures including the whale the elephant the cat and the donkey came about in different ways There are eleven animal stories in this collection for younger children to enjoy They are particularly suitable for reading aloud and Ted Hughes read them to his own children when they were young Ted Hughes classic text is accompanied by the beautiful illustrations of Jackie Morris to bring a lyrical and witty version of the creation myths

*How the Whale Became* Ted Hughes,2011-06-02 This collection of eleven evocative accessible and funny stories for children of 5 tells how a particular animal came to be as it is now The Whale grew up in God's vegetable patch but was banished to sea when he became too large and crushed all His carrots the Polar Bear was lured to the North Pole by the other animals who were jealous that she always won the annual beauty contest the Hare has asked the moon to marry him but can never stretch his ears high enough to hear her reply the Bee must sip honey all day long to sweeten the bitter demon that runs through his veins each story is a delight for reading alone or aloud
