Pastor and Professor Donald Blosser, 2012-08-17 Pastor and Professor is one pastor's story of a rich life filled with experiences that tested his faith and demanded growth that was both exhilarating and painful It is the personal story of moving from faith as right doctrinal belief to faith as a liberating response to a loving God a God who is always with us continually drawing us into the future This dynamic understanding of faith is based on the belief that the kingdom of God is a present reality where followers of Jesus are to be pastoral in spirit while prophetic in living Don Blosser weaves personal experience with public expression of an emerging faith that wrestles candidly with the realities of life and deals with the pastor professor tension of integrating academic scholarship in the classroom with pastoral proclamation in the pulpit Pastor and Professor invites the reader to share a journey where faith is often challenged sometimes doubted yet lived with enthusiasm as it is shared from the pulpit and in the college classroom It invites the reader to find fresh insights in the Scriptures and to live with new hope to embrace life more fully and to share more gently one's own story with others
