

IATA Dangerous Goods Regulations

54th Edition (English)
Effective 1 January 2013

ADDENDUM III Posted 28 May 2013

Users of the IATA Dangerous Goods Regulations are asked to note the following amendments and corrections to the 54th Edition, effective from 1 January 2013.

Where appropriate, changes or amendments to existing text have been highlighted (in yellow - PDF or grey - hardcopy) to help identify the change or amendment.

New or Amended State Variations (Section 2.8.2)

Amend FRG (France)

FRG-06 Dangerous goods as listed in 2.4.2 (a), (b) and (c) are not permitted in mail to, from, or in transit into France.

The transport of radioactive material appearing in 2.4.2 (c) by national air mail, is conditional to the shipper obtaining an approval from the competent authority ASN (see FRG-09).

With respect to the transport by air of dangerous goods listed in paragraph 2.4.2, the competent authority from France (FRG-01) has notified the following instructions:

- a) dangerous goods as described in 2.4.2(a), (b) and (c) are not permitted for transport in airmail to, from, or transiting through France; and
- b) dangerous goods as described in 2.4.2(d) and (e) are permitted for transport in airmail to or transiting through France only if they are from a State that has issued a formal approval to its designated postal operator.

FRG-07 Not used. The emergency response information described below must appear on shipments of dangerous goods to, from, within or transiting through France. This provision does not apply to the transport of magnetized material or dangerous goods for which no Shipper's Declaration is required.

Telephone number

- The Shipper's Declaration required by these Regulations must contain a telephone number by means of which emergency response information can be obtained in case of an incident and/or accident involving the dangerous goods being transported.
- This telephone number must be available 24 hours a day and must include the regional codes and, for international numbers outside France, the country and city codes needed to complete the call from France.
- This telephone number must be monitored at all times by a person who:
 - is knowledgeable concerning the hazards and characteristics of the dangerous goods being transported;
 - has comprehensive emergency response and accident mitigation information for the dangerous goods; and
 - can immediately call upon a person who possesses such knowledge and information.
