**Horizons** HSP, Harcourt School Publishers Staff, 2001      **Horizons, Grade 4** HSP, 2003      **The Prairie West as Promised Land** R. Douglas Francis, Chris Kitzan, 2007 Millions of immigrants were attracted to the Canadian West by promotional literature from the government in the late 19th century to the First World War bringing with them visions of opportunity to create a Utopian society or a chance to take control of their own destinies      **Canada Is... Music** Dulcie Colby, John Harrison, Carol Kerr, This series has been written and compiled by Canadians for Canadians and supports the Provincial Music Curriculum Guidelines Canada Is Music includes songs to enjoy and help teach the elements of music step by step lesson plans and strategies for successful learning experiences units of study and songs that integrate music with other areas of the curriculum song recordings with separate accompaniment tracks listening materials and activities and more      *Canadian Moving Picture Digest*, 1942      Continent in Crisis Jewel L. Spangler, Frank Towers, 2023-01-03 Written by leading historians of the mid nineteenth century United States this book focuses on the continental dimensions of the U S Civil War It joins a growing body of scholarship that seeks to understand the place of America s mid nineteenth century crisis in the broader sweep of world history However unlike other studies that have pursued the Civil War s connections with Europe and the Caribbean this volume focuses on North America particularly Mexico British Canada and sovereign indigenous states in the West As the United States went through its Civil War and Reconstruction Mexico endured its own civil war and then waged a four year campaign to expel a French imposed monarch Meanwhile Britain s North American colonies were in complex and contested negotiations that culminated in confederation in 1867 In the West indigenous nations faced an onslaught of settlers and soldiers seeking to conquer their lands for the United States Yet despite this synchronicity mainstream histories of the Civil War mostly ignore its connections to the political upheaval occurring elsewhere in North America By reading North America into the history of the Civil War this volume shows how battles over sovereignty in neighboring states became enmeshed with the fratricidal conflict in the United States Its contributors explore these entangled histories in studies ranging from African Americans fleeing U S slavery by emigrating to Mexico to Confederate privateers finding allies in Halifax Nova Scotia This continental perspective highlights the uncertainty of the period when the fate of old nations and possibilities for new ones were truly up for grabs      Horizon, 1981      **The Journal of Education for Upper Canada**, 1870      **Confederation Gr. 7-8** Coreen Dutka, 2013-01-13 Canadian history is brought to the forefront with our unit on the Confederation of Canada Students learn about the origins of Canada by understanding the factors leading up to and including the Confederation of Canada Our resource looks briefly at the historical background of this time and uses several different teaching methods to enable students to gather interpret analyze and synthesize information Students will understand the key roles of the Fathers of Confederation recall the dates of important events surrounding the Confederation of Canada and the dates that each province of Canada entered into Confederation and more This Canada
