

# **Hotel Reservation System**

## **Objective:**

- **The Hotel Reservation system** will provide service to on-line customers, employee, and an administrator. Online customers can make searches, reservations and cancel an existing reservation on the hotel reservation's web site. Administrator can add/update the hotel and the room information approve/disapprove a new employee account application and generate a monthly occupancy rate report for each hotel.

## **Existing System:**

- This existing system is not providing secure registration and profile management of all the users properly.
- This manual system gives us very less security for saving data and some data may be lost due to mismanagement.
- The system is giving only less memory usage for the users.

## **Proposed System:**

The development of this new system contains the following activities, which try to automate the entire process keeping in the view of database integration approach.

- This system maintains user's personal info, address, and contact details.
- User friendliness is provided in the application with various controls provided by system rich user interface.
- This system makes the overall project management much easier and flexible.
- Various classes have been used for maintaining the details of all the users and catalog.
- Authentication is provided for this application. Only registered users can access.
- Report generation feature is provided used to generate different kind of reports.
- This system is providing more memory for the users to maintain data.
- This system is providing accessibility control to data with respect to users.

## **Number of Modules:**

The system after careful analysis has been identified to be presented with the following modules:

1. Authentication and Security Module
2. Admin Module
3. Employee Module.
4. Hotel Rooms Management Module.
5. Service Management Module.
6. Reports Module.

### **1. Authentication and Security Module**

*Software Project Management* S. Ramanathan, 2016-05-03 Software development has turned truly global with requirement gathering and design at one location and program development at another Cost advantage has moved more and more of the software life cycle activities to the developing nations like India and the Philippines While outsourcing many companies in the US and other Western countries find project management an area that needs improvement in the emerging service provider nations Processes and teams across different geographical locations make the management all the more challenging It is precisely this need that this book intends to address The author has extensive management experience in IT projects in the manufacturing banking and telecom domains and distils that experience to narrate the project management knowledge areas with real life examples and case studies Many books and articles have described the challenges faced by the US project manager in dealing with a contractor in another country but the remedial measures for this skill gap needs to emerge within the cultural context of the service provider nations This book addresses this challenge primarily from an Indian perspective which can be extended to many other developing nations Billions of dollars of US and European projects

are now being handled in India and other developing countries and thousands of project managers have to emerge from the talent pools of these countries to efficiently manage this investment It is with an intent to develop these skills this book has been written

Kelly III,2023-12-19 Praise for Daring Choices Stories From An International Life in Politics Business and Technology Jim Kelly s life can best be described as remarkable Remarkable for its variety importance and success Jim Roddey former President Turner Communications Inc former Chief Executive Allegheny County Pennsylvania

BDM's purchase of the German government owned technology company IABG was a unique venture. Can you imagine a major military industrial country enabling a foreign owned company to oversee the development and testing of its major defense and aerospace systems. With the help of Jim and others it was an unqualified success. Phil Odeen former CEO BDM and Chairman TRW Inc. A remarkable journey and enjoyable read. Jim's insights into the importance of the CEO and CFO working relationship are invaluable guidance for any CEO building a team. Kevin Cheetham former CFO SynXis and Custom Inc. Northern Virginia Technology Council Greater Washington 2020 CFO of the Year. Daring Choices is a great read. Jim Kelly personifies what a true entrepreneur with vision, determination and a plan can accomplish. His SynXis platform was a revolutionary game changer in the hotel reservation space. A fragmented reservation network became connected effectively and efficiently resulting in maximum revenue management and control. Today over 50,000 hotels use SynXis. Kudos John Russell former CEO Red Lions and Cendant Wyndham Hotels. Past Chairman American Hotel and Lodging Association. In Daring Choices Jim Kelly provides insights on how he propelled himself from such diverse professional accomplishments as working with Alice Cooper to participating in negotiations in the Middle East for the Reagan Administration to becoming a serial software CEO in the hospitality and aviation worlds. Jim's approaches to proactively creating an adventuresome career are instructive indeed. Alexander H. Good former Assistant Secretary of Commerce and head of the U.S. and Foreign Commercial Service in the International Trade Administration former Executive Vice President Verizon. About the Author James Jim B. Kelly III has had an exciting and adventurous life. An experienced international executive and entrepreneur he lived in Europe, the Middle East, North Africa and Asia while directing the global growth of a variety of companies. He founded two software companies SynXis in the hotel reservation space and Flight Explorer serving aviation. He also served in the political sphere on Senator Richard S. Schweiker's Washington staff as a member of the Pennsylvania House of Representatives and subsequently as a trade official in the Reagan Administration responsible for economic policy in Africa, the Near East and South Asia. His stories and the people he met along the way stir the imagination and provide a how to of what can be done in a lifetime. Jim's eclectic career, diverse life experiences and unusual encounters with the likes of Charles de Gaulle, the King of Spain and the President of Algeria inspire us to live our lives the way we want, journey beyond expectations and make daring choices. It's your life, make the most of it.
