Dobson, 2020-06-23. Dissonant Methods is an innovative collection that probes how, by approaching teaching creatively, postsecondary instructors can resist the constrictions of neoliberalism. Based on the foundations of Scholarship of Teaching and Learning, whereby educators are asked to explore teaching as scholarship, these essays offer concrete and practical meditations on resistant and sustainable teaching. The contributors seek to undermine forms of oppression frequently found in higher education and instead advance a vision of the university that upholds ideals such as critical thinking, creativity, and inclusivity. Essential reading for faculty and graduate students in the humanities, Dissonant Methods offers urgent galvanizing ideas for anyone currently teaching in a college or university. Paraíso Gordon Chaplin, 2016-07-05. Like a Coen brothers noir south of the border, *Paraíso* is a genre-bending story about love, sibling relationships, and the dark side of paradise. Peter and Wendy, their mother chose the names, felt as close as twins despite their difference in age. As teens, they fled their wealthy Philadelphia home in the family station wagon and headed for Mexico, only to be discovered sleeping in the car on the banks of the Mississippi in Huck Finn country. Now, many years later,

estranged by an apparent betrayal as profound as their family's dysfunction the two live separate lives Peter as an editor in New York Wendy as an edgy sports photographer with a taste for risk With a new book out and an invitation to Los Cabos she drives the Mercedes inherited from their father to Baja California finally completing the trip begun twenty years earlier But when the engine fails near a small town named Paraíso Paradise she lingers exploring its underside in an affair with a dangerous man and all too suddenly becoming witness to a vicious crime Meanwhile in New York Peter can't help but think of Wendy When from his apartment in lower Manhattan he watches the Twin Towers fall on a beautiful September day he knows it's time to leave his comfortable life go find Wendy and make peace with his long lost sister A noirish tale reminiscent of David Lynch and the Coen brothers Paraíso traces the journey from a mother's dark secret to a place where love and even perfect love is possible Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
