I Have Life Alison Botha :

I Have Life Alison, Marianne Thamm, 1998 Follows the story of Alison who survived a violent rape attack in Port Elizabeth

I Have Life Marianne Thamm, 2016-06-01 The triumphant story of a woman who refused to become a victim Like an apparition conjured out of the darkness a young man with light blond hair pushed his face into the car I immediately spotted the knife It was a long thin weapon almost like a letter opener with a tapering blade It felt cold and spiny as he pressed it to my neck When he spoke his voice which was quiet and controlled sounded as though it emanated from a distant planet But every word thudded into my skull Move over or I ll kill you he whispered And so began Alison s nightmare journey with the two callous killers who were to rape her stab her so many times doctors could not count the wounds slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home But Alison defied death And more than that she denied her attackers the satisfaction of destroying her life *I Have Life* is the triumphant story of a woman who refused to become a victim The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life affirming and strong is an inspiration to people everywhere **Von der**

Gruesome De Wet Potgieter, 2015-10-01 In this book investigative journalist De Wet Potgieter follows the trail of a number of criminals in South Africa's history These violent crimes perpetrated from the late 1980s into the new millennium vary from fanatical far rightists who killed their innocent countrymen to assassins who executed high profile state sanctioned murders He takes the reader behind the scenes of some of the most controversial events in our country and with his fearless style of writing pulls you right into the belly of the beast In *Gruesome* he shares information that has never before been made public What really happened on the night of 17 June 1992 in Boipatong What motivated the horrific attack on Alison Botha What caused the ostensibly conformist policeman Andr Stander to become an unscrupulous bank robber Who was the first person to see the connection between Gert van Rooyen's victims and a probable human trafficking network Potgieter relates how as a journalist he went about reporting on each of these interesting gruesome cases This book takes you back to the bloody newspaper headlines of yesterday
