*The Cancer Question Profiteered or Cured? Advisory Book, Hudkins Publishing* Ronald Hudkins, 2020-02-07. The whole purpose of this book is to introduce you to the corruption of American medical practices, the FDA and the pharmaceutical medical monopoly that chose profit over cures. It reviews outright sabotaged and buried inventions that have been suppressed. You will learn in this book that many methods are available to treat and prevent cancer beyond chemotherapy, radiation and surgery. Despite the success of natural therapies and good intentions, caring doctors, practitioners, researchers, etc. have been persecuted and suppressed by the government. You will find that American medicine has shunned multiple discoveries in favor of profitable orthodox cancer treatments limited to surgery, radiation and chemo. The book is an expose of how the American Medical Association, FDA and the Pharmaceutical Industry have discredited and blackmailed alternative, less expensive, less invasive and at times more effective treatments.

**Longevity Now** David Wolfe, 2013-11-12. Lose weight, boost your immunity, cleanse your blood and organs and live longer and happier with this comprehensive five-part approach created by leading nutrition and raw food authority David Wolfe. In *Longevity Now*, Wolfe exposes the number one cause of all degenerative illness and aging: calcification. Caused by an excess of calcium and the presence of nanobacteria, calcification can be found in some degree in virtually every adult and even some children. It leads to a plethora of illnesses and manifests as achy joints, hardened arteries, cellulite, cysts, kidney stones, gallstones, dental plaque, cataracts and bone spurs among many other health problems. By breaking down calcification and removing parasites, heavy metals and other unwanted guests from your system, you can reverse the aging process and eliminate the prospect of degenerative disease from your future. Part 1 of the *Longevity Now* Program focuses on supplements to dissolve the buildup of calcium in your system, leading to freer movement, a clearer head and a lighter step. Part 2 focuses on boosting your immunity using a variety of supplements to make your body as resilient as possible. Part 3 focuses on rejuvenating each and every cell of your body with nutrient-packed supplements and superfoods. Part 4 focuses on using special electromagnetic grounding technologies to eliminate parasites and reconnect you with the rhythmic cycles of Earth's energy field. Part 5 focuses on deep tissue bodywork and yoga so that you can move blocked energy around and break up stagnation in typically unaccessed parts of the body. In addition to all this, Wolfe offers abundant additional information to help you more fully live the *Longevity Now* lifestyle, such as foods to avoid, healthful alternative sweeteners, delicious recipes and more tips and tricks to keep you on the path of rejuvenation, radiant health and full-throttle vitality.
