Drishti Kuhoo Patel,2025-01-26 Drishti is a composition of how a sensitively designed architectural built form sensitizes into nature It is an example of how simplicity and detail oriented designed spaces can be relevant for 25 years and transform itself into various functionality for a family design studio and safe nest for millions of floras and fauna Architect Kamal Patel envisioned this home 30 years in the outskirts of Milk capital of India and has now become an architectural masterpiece This book is a compilation of amazing picture frames that takes you through his journey of love passion and art

Rashi Drishti Seeing Through the Eyes of Signs Saket Shah,2025-04-08 When I first encountered Rashi Drishti it felt like a whisper from a forgotten part of astrology a subtle current beneath the roaring river of planetary aspects While most texts focused on Graha Drishti yogas and dashas this quiet technique remained hidden in plain sight reserved for those who dared to look deeper This book was born out of that quiet curiosity Rashi Drishti is not just a technique It s a way of seeing the chart differently as if peeling back the veils to discover how signs silently influence each other beyond planetary presence Once you begin observing through this lens charts no longer look flat they breathe reflect and gaze In writing this work I wasn t aiming for popularity I was aiming for clarity for those seekers and astrologers who feel that something is always missing in conventional interpretations I wanted to offer you a torch not a tunnel A key not a cage May this book inspire you to trust your own inner drishti the sight that pierces through the surface and reveals the soul of the chart If you felt seen understood or awakened in these pages then the signs have done their work and so have I With gratitude and wonder Saket Shah
