Do They Hear You When Cry Fauziya Kassindja:

Do They Hear You When You Cry Fauziya Kassindja, Layli Miller Bashir, 2010-01-26 Like the bestsellers *Princess and Not Without My Daughter* *Do They Hear You When You Cry* tells the dramatic compulsively readable story of a woman fighting to free herself from the injustices of her culture Fauziya Kassindja's harrowing story begins in Togo Africa where she enjoyed a sheltered childhood shielded by her progressive father from the tribal practice of polygamy and genital mutilation But when her father died in 1993 Fauziya's life changed dramatically At the age of seventeen she was forced to marry a man she barely knew who already had three wives and prepare for the tribal ritual practice of genital mutilation a practice that is performed without painkillers or antibiotics But hours before the ritual was to take place Fauziya's sister helped her escape to Germany and from there she travelled to the United States seeking asylum and freedom Instead she was stripped shackled and imprisoned for sixteen months by the Immigration and Naturalization Service Enter Layli Miller Bashir a twenty three year old law student who took on Fauziya's case When the two women met Layli found a broken emaciated girl with whom she forged an extraordinary friendship Putting her heart into Fauziya's case Layli enlisted help from the American University International Human Rights Clinic The clinic's acting director Karen Musalo an expert in refugee law assembled a team to fight on Fauziya's behalf Ultimately in a landmark decision that has given hope to many seeking asylum on the grounds of gender based persecution Fauziya was granted asylum on 13 June 1996 Here for the first time is Fauziya's dramatic personal story told in her own words vividly detailing her life as a young woman in Togo and her nightmarish day to day existence in American prisons It is a story of faith and freedom courage and inspiration one that you will not easily forget *Between Rites and Rights*, 2007-08-24 The study shows in chronological fashion how African women writers in the past five decades have introduced a new autobiographical discourse around their experience of excision bringing nuance and vitality to the FGM debate **Do They Hear You when You Cry/ Fauziya Kassindja** Fauziya Kassindja, Muslim

women--Togo--Biography, 1998 [Handbook for Pastor's Wife](#), 2008 **A Well-Founded Fear** Philip G. Schrag, 2002-09-11 In 1996 powerful anti immigrant forces in Newt Gingrich's 104th Congress worked hard to pass the most restrictive immigration law in decades The new law has changed virtually every aspect of immigration policy including the rules for political and religious refugees However the law is not as harsh as the chairmen of the immigration committees would have wanted A fascinating case story of the legislative process and the author's experiences as a public interest lobbyist *A Well Founded Fear* tells how a coalition of human rights and refugee organizations fought to preserve the rights of refugees and asylum seekers A vital contribution to the relation between human rights and immigration policy Nationally known author

Muslim Women in the United Kingdom and Beyond Haifaa Jawad, Tansin Benn, 2002-12-01 The book explores ways in which Muslim women are portrayed alongside their experiences of being Muslim and part of a predominantly western culture It engages with Muslim women living predominantly in the United Kingdom with contributions from other countries

such as Australia America and Sweden Religious prejudice is a major theme that permeates the book providing empirical evidence of ways in which islamophobia and visible symbols such as the hijab influence life experiences and perceptions of Muslim women negatively Accounts of the impact of discrimination on life chances and opportunities are vivid The book recounts ways in which the women cope in challenging diasporic contexts and concludes with recommendations for positive change The text will be particularly valuable to anyone interested in issues of gender religion and ethnicity including students employers politicians and professionals

Arendt, Agamben and the Issue of Hyper-Legality Kathleen R. Arnold,2018-05-25 In the Origins of Totalitarianism Hannah Arendt famously argued that the stateless were so rightless that it was better to be a criminal who at least had some rights and protections In this book Kathleen R Arnold examines Arendt s comparison in the context of post 1996 U S criminal and immigration policies arguing that the criminal stateless binary is significant to contemporary politics and yet flawed A key distinction made today is that immigrant detention is not imprisonment because it is a civil system In turn prisoners are still citizens in some respects but have relatively few rights since the legal underpinnings of cruel and unusual have shifted in recent times The two systems immigrant detention and the prison system are also concretely related as they often house both populations and utilize the same techniques such as administrative segregation Arnold compellingly argues that prisoners are essentially made into foreigners in these spaces while immigrants in detention are cast as outlaws Examining legal theory political theory and discussing specific cases to illustrate her claims Arendt Agamben and the Issue of Hyper Legality operates on three levels to expose the degree to which prisoners rights have been suspended and how immigrant policy and detention cast foreigners as inherently criminal Less talked about the government in turn expands sovereign discretionary power and secrecy at the expense of openness transparency and democratic community This book will be of interest to scholars and students of contemporary political theory philosophy and law immigration and incarceration

Desert Cut Betty Webb,2012-08-31 While scouting locations for a film documentary on Arizona s Apache Wars private investigator Lena Jones and Oscar winning director Warren Quinn discover the mutilated body of a young girl The gruesome manner of the

child's death evokes memories of Lena's own rough childhood. Defying the local law, Lena investigates the child's death and uncovers a small town with a big secret. Founded by the descendants of pioneers who fought Geronimo, Los Perdidos now holds a significant population of documented and undocumented foreign-born residents who live and work at a modern plant. Lena senses a sinister force at work in the town but where? When two more girls disappear from Los Perdidos, Lena is tempted to implement some frontier justice of her own to battle a cruel and ancient practice.

Migrations and Mobilities

Seyla Benhabib, Judith Resnik, 2009-03 This work discusses the unprecedented challenges that the movement of peoples across national borders poses for the people involved as well as for the places to which they travel and their countries of origin.

African and American Marilyn Halter, Violet Showers Johnson, 2014-11-17 African American tells the story of the experience of West African immigrants and refugees in the United States during the last forty years. It highlights the intricate patterns of emigrant work and family adaptation, the evolving global ties with Africa and Europe, and the trans-local connections among the West African enclaves in the United States.

A Mind Of One's Own Louise Antony, Charlotte Witt, 2018-03-08 With philosophy so steeped in patriarchal tradition, how is it possible for feminists to work within it? In this volume, 13 feminist theorists discuss whether traditional ideals of objectivity and rationality should be given a place within the committed feminist view of philosophy and the world.

Bound Feet And Western Dress Pang-Mei Natasha Chang, 2011-09-30 After long afternoons spent with her great aunt Yu i, Pang Mei, a first-generation Chinese American, paints this unforgettable saga of a woman born in Shanghai at the turn of the century to a well-to-do family who continually defied the expectations of her class and culture. In China, a woman is nothing began Yu i over tea and dumplings. This is the first lesson I want to give so that you will understand. Growing up in the perilous years between the fall of the last Emperor and the Communist Revolution, Yu i led a life marked by a series of rebellions that changed the course of her life, including the first and most lasting: her refusal to have her feet bound. And as Yu i confides her innermost dreams and demons to her great niece in this dual memoir, the deeply textured portrait of a woman's life in China is blended with the very Western story of a young woman's search for identity.

and belonging **The Greenwood Encyclopedia of Children's Issues Worldwide** Irving Epstein, 2007-12-30 From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China from the violent street culture of Nigeria to the crippling poverty in Nicaragua from child trafficking in Thailand to child marriages in India this jam packed six volume set explores all these issues and more in an unprecedented look at the world's children at the dawn of the 21st century In recent years while many countries have enjoyed a higher standard of living and improved working conditions others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future Recent concern over the world's children has resulted in a global attempt to define what constitutes an acceptable childhood New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology The UN's codification of children's rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth Organized by region The Greenwood Encyclopedia of Children's Issues Worldwide is the first globally focused set of this magnitude offering extensive up to date coverage of these critical issues Original chapters accessibly synthesize current data on key topics including education play and recreation child labor family health laws and legal status religious life abuse and neglect and growing up in the 21st century *Of Virgins and Martyrs* David Jacobson, 2013-01-31 Explores the role of women's status bodies and sexuality in global conflicts Women's bodies have become a battleground Around the world people argue about veiling schooling for Afghan girls and SlutWalk protests all of which involve issues of women's sexuality and freedom Globalization with its emphasis on human rights and individuality heats up these arguments In *Of Virgins and Martyrs* David Jacobson takes the reader on a fascinating tour of how self identity developed throughout history and what individualism means for Muslim societies struggling to maintain a sense of honor in a globalized twenty first century Some patriarchal societies have come to see women's control of their own sexuality as a threat to a way of life that goes back thousands of years Many trace their lineage to tribal cultures that were organized around the idea that women's virginity represents the honor of male relatives and the good of the community at large Anyone or anything that influences women to the contrary is considered a corrupting and potentially calamitous force Jacobson analyzes the connection between tribal patriarchy and Muslim radicalism through an innovative tool the tribal patriarchy index This index helps to illuminate why women's sexuality dress and image so compel militant Muslim outrage and sometimes violent action revealing a deeper human story of how women's status defines competing moral visions of society and why this present clash is erupting with such ferocity *Foundations for Global Health Practice* Lori DiPrete Brown, 2018-01-02 An essential introduction to global health in the modern world *Foundations for Global Health Practice* offers a comprehensive introduction to global health with a focus on ethical engagement and participatory approaches With a multi sectoral perspective grounded in Sustainable Development Goals the text prepares students for engagement in health care and public health and goes beyond traditional global health texts to include chapters on mental health agriculture and

nutrition water and sanitation and climate change In addition to presenting core concepts the book outlines principles for practice that enable students and faculty to plan and prepare for fieldwork in global health The book also offers perspectives from global health practitioners from a range of disciplinary and geographic perspectives Exercises readings discussion guides and information about global health competencies and careers facilitate personal discernment and enable students to systematically develop their own professional goals and strategies for enriching respectful and ethical global health engagement Understand the essential concepts systems and principles of global health Engage in up to date discussion of global health challenges and solutions Learn practical skills for engagement in health care and beyond Explore individual values and what it means to be an agent for change Prevention cooperation equity and social justice are the central themes of global health a field that emphasizes the interdisciplinary cross sector and cross boundary nature of health care on a global scale As the world becomes ever smaller and society becomes more and more interconnected the broad view becomes as critical as the granular nature of practice Foundations for Global Health Practice provides a complete and highly relevant introduction to this rich and rewarding field

Capitalist Punishment Alex Friedman,2010-04-28 Over 100 000 people in the U S are incarcerated in prisons owned and operated by private corporations a booming business But how are the human rights of prisoners and prison employees affected when prisons are run for profit An accomplished group of human rights writers and activists explores the historical political and economic context of private prisons How are prisoners lives affected by privatization How does it impact prison labor and prison employees How and why are private prisons becoming transnational Are women children and African and Native Americans affected differently from other populations How is privatization connected to the war on drugs the criminalization of poverty and tough on crime politics The preface is by Sir Nigel Rodley Professor of Law at the University of Essex former United Nations Special Rapporteur for Torture and knighted in 1999 for recognition of services to human rights and international law

Gendered Asylum Sara L McKinnon,2016-09-01 Women filing gender based asylum claims long faced skepticism and outright rejection within the United States immigration system Despite erratic progress the United

States still fails to recognize gender as an established category for experiencing persecution Gender exists in a sort of limbo segregated from other aspects of identity and experience Sara L McKinnon exposes racialized rhetorics of violence in politics and charts the development of gender as a category in American asylum law Starting with the late 1980s when gender based requests first emerged in case law McKinnon analyzes gender and sexuality related cases against the backdrop of national and transnational politics Her focus falls on cases as diverse as Guatemalan and Salvadoran women sexually abused during the Dirty Wars and transgender asylum seekers from around the world fleeing brutally violent situations She reviews the claims evidence testimony and message strategies that unfolded in these legal arguments and decisions and illuminates how legal decisions turned gender into a political construct vulnerable to American national and global interests She also explores myriad related aspects of the process including how subjects are racialized and the effects of that racialization and the consequences of policies that position gender as a signifier for women via normative assumptions about sex and heterosexuality Wide ranging and rich with human detail Gendered Asylum uses feminist immigration and legal studies to engage one of the hotly debated issues of our time
