ТАРДИС. Энциклопедия Стив Трайб,2018-08-19 900 1963 Doctor Who: A Brief History of Time Lords Steve Tribe,2017-05-18 The Time Lords are an immensely civilised and immensely powerful race Yet we know very little about them save that they can live forever barring accidents and possess the secrets of space and time travel Their history has been shrouded in myth and mystery Until now A Brief History of Time Lords unlocks the secrets of this ancient legendary alien race a civilisation that inflicted some of its most notorious renegades and criminals on the universe but was also the benevolent power that rid the cosmos of its most fearsome enemies Drawn from the ancient records of Gallifrey and handed down from generation to generation this remarkable book reveals the Time Lords in all of their guises pioneers and power mad conspirators time travellers and tyrants creators and destroyers Be careful who you share it with *Handbook of Poetic Forms* Jessica Bundschuh,Irmtraud Huber,2025-10-06 This Handbook of Poetic Forms aims to offer historically informed approaches to a wide variety of poetic forms A particular emphasis will be on considering poetic form in dialogue with the cultural context in which it is being used as well as within the literary tradition of each form and to explore the stable as well as the historically

variable affordances of each form in such contexts Hereby the focus lies on prescriptive forms that is on poetic forms which are defined by or at least associated with specific metrical stanzaic or overall structures or the absence of such rather than poetic genres that are primarily characterised by similarities in subject matter like the elegy or the ode While this Handbook should be accessible to students its aim is not to offer basic introductions but rather to broaden a historical and functional understanding of the poetic forms it covers and to engage with poetic forms not as givens but as historically contingent processes of formation Above all this Handbook s formalism is new formalist in emphasising historical awareness and contextualisation
