Leviton,2022-12-30 The truth of Lucifer and Sophia is the world s biggest secret said Joe To get this story right you basically have to retell the history of reality itself That s what Joe Mike and Ronald pals since childhood and now in their late sixties set out to do Lucifer and Sophia were the first two archangels ever created but their reputations today are in ruins or obscurity They want to find out why After much travelling and on site investigation they discover that the true story of these two primary archangels is not what people have thought It is the key that unlocks the purpose and destiny of the Earth The final outcome of humanity is implicated too Many diverse cultures maintain cultural images of these two figures and in many cases their images are positive uplifting even comic This trio of geomythic researchers take the Greek icon of Prometheus bound on Mount Caucasus for defying Zeus as their rallying point and seek to probe its true meaning Mythic images especially old ones need to be decoded for the modern mind They tend to have layers of meaning and you shortchange yourself if you either dismiss them or take them only on a literal basis You have to jump into them psychically put them on like clothes and get mythopoeic about these old stories Along the way as they visit sites in America the British Isles Japan Uzbekistan Zimbabwe Chile Mexico and other far flung locales they re assisted by angels Ray Masters and the genius loci of the many sites that preserve a myth of these two archangels Foremost among the places visited is Ireland the legendary Emerald Isle and it turns out this island nation anciently called riu Land after its presiding landscape goddess has a pivotal world role to play in the restitution of these mythic figures and the future well being of the planet and its humanity *False Dawn* Lee Penn,2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and

secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org

User Design Alison A. Carr-Chellman, 2007. User Design offers a fresh perspective on how front-line learners can participate in the design of learning environments. The author challenges the universal assumption that front-line users must be relegated to the role of offering input and that the actual design activity of learning systems must still be conducted only by experts. The book presents a new set of methods and strategies that show how the tools of professional designers can be effectively shared with broad groups of users and other participants in the process of creating their own learning. Drawing on ideas from human-computer interface design, stakeholder participation, critical theory, systems theory, change processes, learning theory, and basic design theories, this innovative work is organized around the major issues associated with user design. Areas covered include differences between user design, stakeholder involvement, and user-centered design; historical perspectives and empirical research; user design tools and ways of facilitating user design; gaining leadership support in an organization; and conflicts that arise during user design engagement. Accessible to all audiences, User Design can serve as a strong companion volume to traditional instructional design texts yet is comprehensive enough to be a stand-alone text in design courses. It will appeal to instructional designers, curriculum developers, training managers, designers, community organizers, adult educators, as well as anyone interested in the dynamics of power and emancipation in learning.

**2012 A Family Brief** Robert L. Horton, 2009-10-31. This book is based off of years of research starting with Zecharia Sitchin's indisputable documentary evidence of Earth's origins and man's celestial ancestors. Continuing on into man's current interaction with those who from heaven to Earth came, 2012 A Family Brief brings the last 8 years of the Congressional ET-related Disclosure Project into full view of the public arena. It covers the joint government ET involvement to create huge underground bases and facilities built to protect mankind from possible upcoming global catastrophes that have been seen to occur in the year of or around 2012. It also contains personal accounts of the Black Budget Operation Operators who have come forward as Whistle Blowers to give their amazing testimony to Congress as part of the 2001 Disclosure Project led by Dr. Stephen Greer. All written and recorded Whistle Blower testimony within this briefing has been sourced courtesy of Project Camelot at [www.projectcamelot.org](http://www.projectcamelot.org). Ran and diligently operated by Bill Ryan and Kerry Cassidy. This book also contains part one of The NEXUS REPORT that was written by an individual under the pseudonym of Astralwalker where it originated as a thread at [www.projectavalon.org](http://www.projectavalon.org) also ran and operated by Bill Ryan and Kerry Cassidy.
