Sport After the Covid-19 Time Out** Jörg Krieger, April Henning, Lindsay Parks Pieper, 2022-11-11 In the edited collection Restart Sport After the Covid 19 Time Out practitioners and international scholars explore the restart of sport and fitness following the initial period of lockdowns during spring 2020 The chapters provide insight into the sport and fitness landscape following the initial wave of the pandemic The book focuses on challenges for sport providers consequences for sporting participants and opportunities for new ways of practicing sports It contributes contemporaneous data analyses and insights into the global sport landscape that has been impacted by the Covid 19 pandemic This book presents a variety of interdisciplinary perspectives in a total of nineteen individual chapters organized around five main themes The first four chapters deal with the restart of sporting events in four countries This section is

followed by an assessment of the Olympic Movement's challenges after its postponement of the 2020 Summer Olympic Games to 2021. Chapters in the next theme provide analyses of how national governments handled restarting sport and fitness in different geographical locations. Finally, the last three chapters look at the role of the media during the restart phase, both in reporting sport and with regards to innovations and the implementation of new technology in staging and broadcasting elite sport.

The Hunger Habit Judson Brewer, 2024-01-30 Stop fighting with food and read this book Arianna Huffington 1 New York Times bestselling author of *Thrive* Rewire your brain to fix bad food habits Brewer has helped people break out of a habit of 40 years standing in one month The Telegraph A game changing plan to change your relationship with food Annie Grace author of *This Naked Mind* A proven neuroscience based programme to heal your relationship with your body and food from the world renowned addiction psychiatrist and New York Times bestselling author of *Unwinding Anxiety* Eat this not that count calories exercise more use your willpower how many of these guilt laden dieting messages make you feel bad about why it's so hard to manage what and how you eat Based on over 20 years of clinical research and Dr Brewer's work with thousands of patients *The Hunger Habit* is the kindest and most effective approach to eating that you'll ever come across It's the antidote to food shame and dieting Using the power of curiosity and awareness Dr Brewer's proven step by step programme will help you heal your relationship with food reset eating triggers and resolve any long held personal issues around self esteem anxiety shame anger and stress Dr Brewer will help you learn how to work with your brain rather than fight cravings At the same time you will learn how to embrace setbacks and adopt an attitude of self kindness instead of self judgment ultimately establishing new eating habits *The Hunger Habit* is not a diet book but like many of his clients have already discovered once you break out of your personal food jail you'll find a changed relationship to eating leads to a newfound freedom and a lightness that comes from an inner well being No matter where you are now or how hopeless you feel about yourself stress eating overeating binge eating or whatever your habits are Dr Brewer's powerful book will help

The Obesity Epidemic: Causes, Context, Prevention Peter Congdon, Dickson A. Amugsi, 2022-11-08

Religious and Spiritual Practices in India Kamlesh Singh, Gaurav Saxena, 2023-07-31 This book explores the positive psychological aspects of religion and spirituality in the Indian context It discusses the concepts and practices of Hinduism

Islam Buddhism Christianity Jainism and Sikhism and their impact on overall well being As the global enthusiasm for Indian spirituality grows this book brings together scholars to share their perspectives and reflections on various religious aspects The chapters offer readers a psychological capsule of mental health well being compassion kindness character strength mind body relationship and mindfulness providing practical strategies for a better quality of life Furthermore this book offers insights into the different perspectives of happiness and well being measured across diverse demographics It also provides a qualitative conceptualization of happiness among older people reflections on positive aging and highlights the facilitators and inhibitors of happiness With its comprehensive coverage and multidisciplinary approach this book serves as a valuable reference for postgraduate and doctoral students of Psychology as well as a treasure trove in the libraries for researchers and faculties associated with spiritual psychology positive psychology religious studies comparative literature mental health professionals academicians and anyone interested in allied health fields Challenging Extremist Views on Social Media

Jan-Jaap van Eerten, Bertjan Doosje, 2019-07-23 This book is a timely and significant examination of the role of counter messaging via social media as a potential means of preventing or countering radicalization to violent extremism In recent years extremist groups have developed increasingly sophisticated online communication strategies to spread their propaganda and promote their cause enabling messages to be spread more rapidly and effectively Counter messaging has been promoted as one of the most important measures to neutralize online radicalizing influences and is intended to undermine the appeal of messages disseminated by violent extremist groups While many such initiatives have been launched by Western governments civil society actors and private companies there are many questions regarding their efficacy Focusing predominantly on efforts countering Salafi Jihadi extremism this book examines how feasible it is to prevent or counter radicalization and violent extremism with counter messaging efforts It investigates important principles to consider when devising such a program The authors provide both a comprehensive theoretical overview and a review of the available literature as well as policy recommendations for governments and the role they can play in counter narrative efforts As this is the first book to critically examine the possibilities and pitfalls of using counter messaging to prevent radicalization or stimulate de radicalization it is essential reading for policy makers and professionals dealing with this issue as well as researchers in the field **Global Issues in Pharmaceutical Marketing**

Lea Prevel Katsanis, 2015-07-16 Global Issues in Pharmaceutical Marketing presents a balanced research based perspective combined with a practical outlook on the current issues faced by the ethical biotech and generic segments of the pharmaceutical industry It integrates an analytical approach with a global view to examine such issues as market access digital marketing emerging markets branding and more The book covers not only the North American and Western European markets but focuses on non Western markets such as Latin America and Asia Each chapter is written as an individual essay about a given issue and where relevant original cases are provided to illustrate how these issues are currently managed by the global industry This book offers a thoughtful and

thorough description of the industry's current situation and integrates the latest scholarly and industry research from different disciplines in one place for convenient reference. It may be used in the following ways: To stimulate class discussions and inspire new streams of research for academics and graduate students; To introduce the industry to those interested in a career; to orient new industry hires; or to provide experienced practitioners with current research that will enhance their knowledge; To provide an understanding of the industry for those in the healthcare sector such as physicians, pharmacists, as well as medical and pharmacy students; and To present recent and relevant research for those in government, public or private payers and public policy environments to facilitate their decision making. This book will prove to be a useful resource and an important source of information for academics and their students, professionals and policymakers around the world.

Mental Health and Wellbeing in the Workplace Gill Hasson, Donna Butler, 2020-04-09 HIGHLY COMMENDED HR MANAGEMENT BUSINESS BOOK AWARDS 2021. Provides guidance for both employers and staff on promoting positive mental health and supporting those experiencing mental ill health in the workplace. The importance of good mental health and wellbeing in the workplace is a subject of increased public awareness and governmental attention. The Department of Health advises that one in four people will experience a mental health issue at some point in their lives. Although a number of recent developments and initiatives have raised the profile of this crucial issue, employers are experiencing challenges in promoting the mental health and wellbeing of their employees. *Mental Health Wellbeing in the Workplace* contains expert guidance for improving mental health and supporting those experiencing mental ill health. This comprehensive book addresses the range of issues surrounding mental health and wellbeing in work environments, providing all involved with informative and practical assistance. Authors Gill Hasson and Donna Butler examine changing workplace environment for improved wellbeing, shifting employer and employee attitudes on mental health, possible solutions to current and future challenges, and more. Detailed real world case studies illustrate a variety of associated concerns from both employer and employee perspectives. This important guide explains why understanding mental health is important and its impact on businesses and employees. Discusses why and how to promote mental health in the workplace and the importance of having an effective wellbeing strategy. Provides guidance on managing staff experiencing mental ill health. Addresses dealing with employee stress and anxiety. Features resources for further support if experiencing mental health issues. *Mental Health Wellbeing in the Workplace* is a valuable resource for those in the workplace wanting to look after their physical and mental wellbeing and those looking for guidance in managing staff with mental health issues.
