

Three Magic Words

The background of the entire slide is a serene night scene. It features a dark, starry sky above a calm body of water. In the center, a small, dark island or peninsula is visible, with a single, leafless tree standing on it. The tree and the island are reflected in the still water below. The overall mood is quiet and magical.

[The Dark Pattern](#) Guido Palazzo, Ulrich Hoffrage, 2025-06-03 From the creators of the theory of ethical blindness comes an investigation into how corporate scandals happen revealing the common pattern behind them and how your organization can avoid them Too often the stories of corporate scandals are narrated like Hollywood movies in which once celebrated CEOs are unmasked as sociopaths and ultimately convicted for their crimes What we fail to realize however is that most bad things are done by average people with honorable values and without bad intentions In *The Dark Pattern* two experts in business ethics and decision making challenge the conventional view that corporate misconduct happens because of a handful of bad actors Instead the book shows how entire organizations can fall off the moral cliff because good people become ethically blind Drawing on the latest insights from behavioral science the authors identify nine toxic elements that lead to corporate scandals and offer nine actionable lessons for building morally resilient organizations Essential reading for business leaders *The Dark Pattern* offers real world guidance for defending companies against the subtle dynamics of moral erosion
