DAY BRAIN DETOX PLAN

JANUARY - 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31

We all have areas in our lives that we'd like to see change. We cannot sit back and wait to be happy and healthy and have a great life; we have to decide to make it happen.

Everything we do and say starts as a thought. Romans 12:2 tells us that we can actually be transformed into a new person by changing the way we think.

The 21 Day Brain Detox Plan is a deliberate, disciplined, and intentional way to take control of our thoughts and change the way we think.

Renewing the mind is a lifestyle, not a one-time activity, so this plan is meant to be repeated all throughout the year.

Start by tackling one negative thought that you want to change. Each day, you will work on breaking down the negative thought, while at the same time building up a healthy replacement thought.

John 16:13 says that He will guide us into all truth, so let the Holy Spirit show you which area to work on first.

For more in-depth reading please refer to Switch on Your Brain by Dr. Caroline Leaf.

Five Step Plan:

Repeating these steps daily for seven to ten minutes will eventually eliminate toxic thoughts and stabilize healthy ones.

STEP 1: GATHER (1-2 Minutes)

Become aware of your environment and your thoughts.

This step is about increasing your awareness of your external environment and what you're allowing to enter into your brain through your five senses. It also allows you to recognize the internal environment of your mind, and what's coming out from the inside (i.e. your attitude).

How to do it:

Ask yourself the following questions:

- *What am I experiencing through my five senses right now?*
- *What thoughts are bubbling up in my mind? What is the attitude behind those thoughts?*
- *What feelings do those thoughts generate in both my body and mind? (peace, worry, tense muscles, comfort, stress, heart pounding, adrenaline rush, etc.)*
- *Do I feel dominated by the feelings that have risen from these thoughts? Do they make me feel like a victim or a victor?*
- *Do I want these feelings and thoughts to be a permanent part of me?*
- *When you identify the negative thought, immediately and prayerfully think of the replacement thought. (i.e. a scripture that applies to the situation)*

STEP 2: FOCUSED REFLECTION

(1-2 Minutes)

Go deep with your thinking.

This step is about catching your thoughts and entering into directed rest and disciplined thinking. You can choose to accept or reject any thought that comes to you. Healthy and toxic thoughts are both built by rehearsing them in your mind. The deeper you think, the more you change the landscape of your brain. This deep intellectual process can help you come up with your own answers.

How to do it:

- *Specifically focus on one thought.*
- *Control your attention and prevent chaotic thoughts from moving through your mind.*
- *Be aware of your body, emotions, and sense of self as you do this.*
- *Integrate healthy thoughts by reflecting on the positive, not just dwelling on the negative.*
- *Mentally rehearse the positive thought in your mind. It becomes stronger each time you do.*
